Breen Is Used Car Mgr. At Bill Root Chevrolet

James P. (Pat) Breen is the Used Car Manager at Bill Root Chevrolet in Farmington and he brings to his new position a total of 15 years experience in the automotive sales field. The 42-year-old Breen is a native of Ireland but has made his home in this country most of his life. Breen is a World War II veteran and served 4 1/2 years with the U.S. Army Office of Strategic Services. He was discharged as a Captain in 1945 and went back to complete the interrupted college education started in 1939 at the University of Notre Dame. He received a LL.B. Degree from Notre Dame in 1946.

GETTING BACK to Breen's military service, he was the youngest soldier to earn the rank of First Sergeant during World War II. He was just 18 years old when that promotion came his way. China and the South Pacific theater is where Breen spent most of his military service.

A football player while at Notre Dame, Breen chose to go into automotive sales rather than pursue a law career after graduating in 1946. His sales career is dotted with awards and distinctions.

THE "HALL OF HONOR" award, highest recognition which can be earned for salesmanship, was won by Breen three successive years, 1962-63.

Situated amid thickly wooded lots in a community with its own private park, "The Villager" represents 33 years of building experience.

Carefully planned studies by Mac-C disclosed the most wanted floor plan features and these have been incorporated in "The Villager." They include a covered front and rear porch; a central colonial-style entry that

branches to the private study with connecting washroom; a paneled family room with rustic stone fireplace and glass window wall to terrace; and a 20' x 13' living room accessible via a convenient foyer. Separated from normal traffic areas, the living room is pleasant and private for entertaining.

THE FOYER ALSO acts as a walk-way into the step-saver kitchen, complete with built-in appliances and dropped luminous ceiling. Adjacent to the kitchen is a cozy family breakfast nook. Dining takes on grand style in the 12' x 13' dining room joining the living room and breakfast nook.

Also accessible through the foyer is the second level of "The Villager," featuring a large master bedroom and three auxiliary bedrooms for children or guests. The spacious 13' x 15' master bedroom features a "convenient walk-in closet, dressing room vanity and ceramic tile shower-bath. A separate, centrally located bath serves the auxiliary bedrooms.

A CONVENIENT first floor laundry room in "The Villager" saves step climbing. As another feature, the builder has incorporated a large two-car attached garage with added length for storing gardening tools, plus an overhead storage deck.
