The Women's Association met last week Tuesday at the home of Grace Fisher with 23 attending. This included two of our new members, Nancy Brassett and Wilma Neville, whom we hope to see with us often. For the two co-hostesses for this meeting it was a wonderful example of the pitch-in-and help attitude we have here. Arla Paul and I were the two volunteer co-hostesses. Arla was home sick in bed and I was so tired with real estate that I barely made the meeting for long enough to enjoy a cup of coffee and a piece of delicious cherry pie which Ginny Albertson provided. Who helped Ginny clean up afterwards I have failed to ascertain, but I know Arla would want to join me in thanking Ginny and her helpers most sincerely.

Ray Reise was operated on last week Tuesday for a hernia. He was brought home Saturday and is recovering very well.

DICK McGRATH came home for the Christmas holidays a brand new assign. He is with the Navy Air Force at Pensacola.

Women of Kendallwood

"Women of Kendallwood Farms" — If you haven't already made your reservation to ride with us on the bus to visit the Detroit Institute of Arts, there may still be time. We will meet at the Kendallwood Shopping Center next Wednesday, February 16, and the bus will leave promptly at 10:30 a.m.

At the present time The 15th Artist-Craftsmen Exhibition is on display, featuring more than 150 juried entries, so we will have the privilege of viewing this during our trip. Plan to join us if you haven't already; but if you can't ride on the bus, call Mrs. William Dempster immediately at 476-3327 for your reservation.

Please note a change has been made on the date of our March Luncheon. It will be held on Thursday, March 24, at The Kings Arms, located at Southfield and Ten Mile Road. More about these plans later, but save this date.

cola, Florida, and had not been home since June. He is enjoying the pre-flight training course and now that the weather is improving, is getting in considerable flight time.

Frans and his Jensen flew to Florida and had three weeks there, part of the time spent at Palm Beach and part at Fort Lauderdale. They reached home last week Tuesday with the two last days there in the very cold we have been hearing and reading about.

The skating parties last Saturday for our young people were most successful. About thirty were skating on the pond at the Perry. When the young people had had enough skating and were enjoying the bonfire, hot chocolate, and cookies, the dads played hockey. Over on the Bys pond about 15 of the younger children enjoyed the skating, bonfire, hot chocolate,

and cookies. In the evening about a dozen of the teenagers gathered to skate. If it had not been for the carnival at North Farmington High School plus the good old weather would have been a much larger crowd.

AND CHRIS King came on to spend ten days with Joan and Mike. Paul was sent to Vietnam last October and is busy on an LST ferrying supplies from Chung-Li to Danang. While he is over there Sandy and Chris are living with her family in Chicago. The visit here from the 22nd of January to the 2nd of February made a nice change for them and a pleasure for Joan and Mike.

Last Thursday night Mike was given a party by the Cross Company for whom he had been working for six years, which he left just before

Thanksgiving to go into the personnel department at Winkelman. He is enjoying his new work very much. Both he and Joan are enjoying the slide projector given to him at this party which was attended by over a hundred employees of the Cross Company.

Next Wednesday, the 16th, at 1:15 p.m. in the Franklin Community Church, John Quirk will be the speaker at the Franklin Forum. Mr. Quirk lives in Orchard Lake and is known to many Friends of the Franklin Library. He is in business for himself in Detroit but embarked upon his very successful career as a novelist four years ago. Following his formal talk coffee will be served and he will talk informally with members of the audience. For those who do not have season tickets they may be obtained at the door.
