LETTER BOX
Gentlemen:
Just a note in commendation of our wonderful, efficient Police Department.
My husband had a heart attack February 1. I called the police, who arrived within five minutes, gave him oxygen, had him in an ambulance and at the hospital in record time.
It's a comforting thought that they're around and so efficient and kind when they're needed and I'd like to publicly thank them.
Mrs. F. E. Young

To Celebrate 94th Birthday

Mrs. Mathilda Stark will celebrate her 94th birthday on Saturday, February 12, at an open house from 7 to 9 in the evening.

A resident of Farmington for the past 18 years, Mrs. Stark has spent the last few years piecing and quilting quilts for her children, grandchildren and great-grandchildren, numbering 41 in all.

Mrs. Stark is in good health and is looking forward to enjoying the open house to be held at the home of her daughter, Mrs. H. M. Todd, 2108 St. Being very religious, Mrs. Stark attributes her long life to "the blessings, graciousness and goodness of God."

Sorry we missed a beat — we'll say the reason was frozen fingers due to the temperatures we had a couple of weeks ago. That cold snap ended just in the nick of time. I suspect there is many a dwindled supply of tranquilizers after having lived cooped up with the kids for those two weeks. Most of us heaved a sigh of relief when we could chuck the little darlings outdoors in the slush, but some of our number made the most of the chill. Instead of shivering and quailing they whipped on their red flannels or a satisfactory equivalent and slied.

Pat and Pat Gardner took two children and went to Lake Leelanau for their activities, while Mike and Sandy Hoganson lit out for Rose City. There, Sandy bravely donned flims for the first time and trudged up the hill behind the instructor. Mike apparently figured that one of them had better be able to move the next day so he went off ice fishing with his buddies. We trust they all enjoyed themselves and are now home and back to their regular routines.

WE UNDERSTAND there are a few people out here who are putting crimps in certain people's routines, but welcome ones. The cradle club is growing by leaps and bounds. In the last two weeks the sub membership has been swelling by four, with two debuts occurring at New Grace.

John and Shirley DeLeon of Truck Road were first with their fifth edition on January 24. He was named John Joseph.

There is another little boy now living on Astor with his new family. His parents have waited anxiously for months, but even so much as a due date to go by, since their little John Wayne Stewart is adopted. Naturally Phil and Barbara were thrilled to report to Michael 12, and Phyllis 4 that a six week old brother was joining their midst last Friday.

SPEAKING OF babies, Betty Hilliker last week had a nursery shower for Phil's sister Janice, now Mrs. Mo Hammer of Anaheim, California. The Hammers drove in for three or four days just to visit. Monday night, Betty had another small party for Phil, but he's not having a baby, just a birthday. And a happy one we hope.

Some more birthdays were also being celebrated among us. Pat Schaefer on the 4th, Dale Frye on the 6th, Joanne Rutkowski on the 8th, and Patty Howell on the 8th. More recent ones: Michael Stewart on Friday, Beth Ann McCormick on Saturday, Steve Rotenberg on Monday and Cindy Weiss and Ed Olsewski on Tuesday.

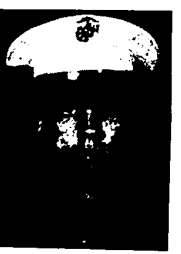

Moving also, but in rather than out, are Bob and Barbara Judge, formerly of Southfield. Although they've been here since December 10, relocating is such a lengthy job that they could probably still be said to be moving. The head of the house is a draftsman with Macco Tool and Engineering in Southfield, and he and son Terry who is seven, occasionally enjoy boating.

NEXT WEEK On February 17 at 8 there will be a rather unusual and interesting friend, ship tea at Pat McCallie's, 3018 South Stockton. St. Alexander's Workers of Mary group,

zoning three and five, are sponsoring a discussion group on Human Relations which will include ten Negro women. Four nuns from the local parish will also be present at this open meeting.

In the area of people to people, it has come to our attention that Ralph Hernandez is doing his bit rather than talking about it. Last week he generously took it upon himself to collect clothing from our people in the subdivision to give to a family of eleven whose home and belongings had been completely destroyed in a fire. So take heart, people. There are twenty-year-olds who can find things more constructive to do than squeal their slicks and look indolent.

Finally, we want to welcome Jean MacDonald of Astor Drive back from her week's stay at Brent Hospital, near U. of D. and hope she is now feeling as fit as ever.

Marine Private Terry L. Betts, son of Mr. and Mrs. Earl F. Betts Jr. of 27580 Spring Valley in Farmington, was graduated recently from Marine recruit training at the Marine Corps Recruit Depot, San Diego, Calif. During his eight weeks of intensive recruit training under veteran drill instructors, he learned small arms marksmanship, bayonet fighting and methods of self-protection, as well as receiving instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.
