Girl Scout News

NORTH FARMINGTON NEIGHBORHOOD
At an impressive patriotic ceremony held on Sunday afternoon, February 6, American flags were presented to seven Girl Scout troops from the North Farmington Neighborhood by the Farmington American Legion Groves-Walker Auxiliary Unit No. 346.

Mrs. Charles Currie, President of the Auxiliary, presided over the program, which began with advancing the colors and the recitation of the American Creed. Before presenting the flags, Mrs. Currie reminded the scouts that by continuing to learn, loyalty, love, and glory of country, they would fulfill their responsibility of showing honor and respect for their flag. As a representative of each troop held their own flag on stage, the entire group recited the Pledge of Allegiance and sang The Star Spangled Banner.

PARENTS and families of the scouts were invited to attend, and we were pleased to see so many. The seven troops and their leaders who participated and received flags were: Brownie Troops 111, Mrs. Hastings; 118, Mrs. Hivley; and 161, Mrs. Thigpen. Junior Troops 26, Mrs. Murphy; 761, Mrs. Hughes; and 269, Mrs. Schwabe. Special thanks go to Mrs. Tomchak, Assistant Leader of Troop 761, for contacting the Auxiliary in behalf of the troops.

The flag presentation is a yearly event during American Legion Americanism Month, which is sponsored by the National Organization of the American Legion and American Legion Auxiliary.

Highmeadow School's hall rang with song and laughter when the five Girl Scout troops got together for a song fest February 9. After refreshments, Brownie Troops 111 and 115 and Junior Troops 628, 761 and 269 all gathered around Constant Bea Scaglione, who led the girls in songs and singing games. Songs used are found in the Girl Scout Pocket Songbook and the Brownie handbook.

Newsboy of Week

The Farmington Enterprise salutes the Killey brothers of ball, basketball and swimming. He hopes to pursue a career in engineering, and maybe will lean towards the electrical and of the field since he states watching television is one of the things he likes to do best. Brian delivers the Enterprise to customers on Wildwood Trail and Shady Lane.

Dennis Killey also follows his older brother's enthusiasm for model cars. He lists building the models as his favorite hobby. Football and basketball sports but that seems to be where the two brothers separate since Dennis enjoys hunting and camping over watching TV and entertaining aspirations of becoming an advertising executive.

Dennis handles the Enterprise newsboys route on Penrose, Shady Lane, Wateria and Wildwood streets.
