THE PLAN FOR THE Orchard Ridge Campus of Oakland Community College was awarded a citation at the architectural exhibit at the annual convention of the American Association of School Administrators (AASA) held in Atlantic City. The citation was one of 28 such awards given for school architecture from among 400 projects entered in the competition. Shown at the exhibit are (L. to R.) OCC President John E.

Tirrell and representatives of the two architectural firms responsible for the project, Wilmont Vickrey, Partner, Perkins and Will, and Gino Rossetti, Chief Architectural Designer. Giffels and Rossetti. The 149-acre, \$13 million dollar campus is located on I-696 between Orchard Lake and Farmington Roads, Farmington Township. The campus is presently under construction and will be open to students in September, 1967.

Carefree Conestogas Announce Seven Camp-Outs For Coming Year

The Carefree Conestogas, a Farmington camping chapter of the National Campers and Hikers Association are preparing for the coming camping season. Their first camp-out will be held the weekend of April 15-17 at Walter J. Hayes State Park in the Irish Hills. Second will be May 20-22 at Algonac State Park. Third will be June 17-19 at Sutters Recreation Area near North Branch.

The fourth camp-out will be on July 15-17 at Holiday Harbor Resort at Wheatley, Ontario. Fifth, on August 19-21 at McFeeley's Resort near Ortonville. Sixth, at Pokagon State Park near Angola, Indiana. Seventh, and the last for the year, will be held on October 14-16 at Big Portage Lake State Park, Big Portage Lake, Waterloo Recreation Area.

THE CONESTOGAS haven't

been idle all winter just dreaming of Spring, they hold a meeting on the third Monday of every month at the home of President Larry and Terry Thomas, 2616 Springfield Dr., at 8 p.m. Plans are made for the coming camping months, committees are set up for the many tasks of forming a new chapter, such as camping locations, vests, insignias, white elephant sales and stamp books.

Different committee members have a habit of making it a fun thing instead of a project. In October an election of officers was held. In this group husband and wife hold officer together. Elected were Larry and Terry Thomas, president; Paul and Norma Olson, vice president; Dick and JoAnne Lander, secretary; and Tom and June Nelson, treasurer. Directors are Bill and Eileen Cartner, Frank

and Barbara Papke, and Clarence and Joyce Smith. In December the group held a Christmas party at the home of the Thomas'. Eight couples attended and a good time was had by all.

FOUR FAMILIES of the Conestogas Chapter attended a Polar Bear Camp-out at Bay City State Park the weekend of February 11-13. They were the Trombly's, Papke's, Leightner's, and Cartner's. Altogether 120 families attended the state-wide camp-out sponsored by the Tails-a-Wagging chapter. Although the weather was beautiful for camping it was bad for polar bears. Many families were prepared for snow with toboggans, sleds, etc. and were disappointed — except for one brave soul who spent the entire weekend in a pair of summer shorts.

So far the group has a total of 14 families, with others planning to join. They plan to hold their membership at 30 families. Anyone in the Farmington area interested in joining may call Larry Thomas, 474-5067, or Dick Landers at 476-0429.
