Jaycee Senatorship Awarded Bob Brown

R. Lewis "Bob" Brown of the Farmington Jaycees was awarded a Senatorship to Junior Chamber International at a dinner in his honor February 28 at the Danish Inn. Brown, the first Farmington Jaycee ever to receive the award, has been active in local state, and national organizations for the past decade.

In presenting the award, Farmington Jaycee President Pat Nowak said that the list of accomplishments compiled by Brown is one which sets an example for Jaycees for years to come.

Jaycees: State Chairman Seasonal Activities; District Vice President; National Director; and Executive Vice President of External Affairs of the Michigan Jaycees.

The J.C.I. Senatorship is one which is awarded only to Jaycees of outstanding achievement. To date there have been only a little over 4,000 senatorships out of nearly 800,000 members.

Brown in accepting, stated that he hoped his award would serve as an inspiration to all Farmington Jaycees, present and future. He said that the award is an example of what can be done by an average guy like himself, with a lot of hard work. The new J.C.I. Senator credited the Jaycee organization with any success he has had as a result of the leadership training he received.

Guest speakers at the dinner included Jack Skriden, President of the Michigan Jaycees, and Wendell Smith, National Director of the Michigan Jaycees. Other guest speakers were several past presidents of the Farmington Chapter, contemporaries of Brown.

Brown lives in Farmington Township with his wife, Margaret, and their four children.

Tilley's Visit Son

Mr. and Mrs. Bud Tilley and their son, Michael, of 27781 College in Farmington recently returned from a visit to the Great Lakes Naval Training Center in Great Lakes, Illinois where Seaman Recruit Patrick M. Tilley is currently undergoing basic training.

The young Farmington sailor, a 1965 graduate of Farmington High School, was able to obtain a 12-hour pass and visited Waukegan, Ill. with his parents and brother, Michael.
