

CLASSES BEGIN JAN. 17

Psychology to Home Construction.. Clarenceville Adult Education Has Them

You may not know how to psychoanalyze your spouse or build your own new home when you get through, but adults who enroll in some of the courses being offered by Clarenceville Public Schools this winter can at least get a start in these directions.

Typing I, with emphasis on speed and accuracy, business letter styles, and basic business forms. KNITTING I — Designed to teach you basic knitting steps and terms and how to apply them to a garment. Group and individual instruction will be given.

BRIDGE I AND II — A study and analysis of the scoring and theory of contract bridge. Elementary playing of no-trump and trump contracts. An introduction to duplicate bridge. FLOWER ARRANGEMENT AND HORTICULTURE: Prepare yourself now for the spring months ahead by studying the art and science of growing flowers, fruits and other garden favorites.

KNITTING II — A continuation of the skills developed in Knitting I. This class is for knitters with previous experience who desire to give their garments a truly professional look. LAPIDARY II — This course will allow the lapidary enthusiast to work with more valuable stones. Skills will be developed in the use of diamond abrasives, tumbling, and faceting.

DRIVER'S EDUCATION — Learn the basic skills necessary to operate a motor vehicle. This course meets by group arrangement. The fee is \$30. This includes five hours of behind-the-wheel and one hour of classroom instruction. Additional instruction in the car will be offered at \$5 per hour. LAPIDARY I — An introduction to basic lapidary work and gemology. Primary emphasis will be on cutting, grinding, sanding, and polishing semi-precious stones.

EVERYDAY PSYCHOLOGY — A course designed to give the student an understanding of the terms and concepts used in the psychology of everyday life. Such topics as defense mechanisms, frustrations, nature of conflict and struggle of learning will be discussed. The course will help one to understand human behavior, but it is not designed to give therapy. The fee for this course is \$11 and includes the cost of purchasing necessary materials. WOODSHOP — An excellent opportunity to study wood construction and to develop the safe and skillful use of hand tools and machines. Students will be able to take their creative abilities and develop them into a reality. In addition, there will be free adult recreation nights from 7:30 to 10:30 on all Tuesdays in January, on Feb. 8, and on

March 8, 15, 22 and 29 at the high school gym. Adult swimming instruction is scheduled for Tuesday from 7 to 9 p.m. in the high school pool. Registration is scheduled any time until Jan. 14 and information on courses is available by telephoning the Mr. Leary, 626-4660, after 1:30 p.m. daily. Classes in areas not listed will be offered to interested groups of at least 10 persons.

Announce Engagement Mr. and Mrs. James Thomas Stephens of Los Angeles, Calif. (formerly of Livonia) announce the engagement of their daughter, Glenda Sue to David Crumbaker Jenkins, Jr., son of Mr. and Mrs. D. Crumbaker Jenkins of State College, Pa. Glenda Sue was a 1963 graduate of Bentley High. Both Glenda Sue and her fiance are seniors at David Lipscomb College in Nashville, Tenn. The wedding is planned for June 5, and will take place in Nashville.
