Area Draft Board Needs 5th Member

Does anyone want to become a draft board member? If so, there is a vacancy on Local Board 102, located in Plymouth, serving the northwest section of Wayne County.

Mrs. L. M. Fedell, managing clerk of the Selective Service board, announced this week, that interested citizens could make application to the present four-member board.

A vacancy has existed for a year since the death of the fifth member, Harry L. Hunter of Plymouth.

Others on the board are John L. Mokerski, Inkster; Leonard Troupet, Westville; Joseph S. Grejch, Livonia; and George P. Manolas of Redford.

"Just write a letter to the board," Mrs. Fedell said. "The only persons barred from membership are those who are servicemen."

"We would prefer a middle-aged industrialist but this is not a requirement to being appointed."

She noted that there is no compensation for the job and that the board meets once a month for a period of time lasting between four and five hours.

"The appointment is made by the President of the United States, upon recommendation of the local board and State Selective Service headquarters," Mrs. Fedell said.

Referring to February draft quotas, Mrs. Fedell said the board will be asked to supply

GARDEN CITY HIGH East students, Sandra Nyman, senior, and Robert Wheeler, junior, are congratulated by Principal Gerald C. Gould as winners on the Part 1 of the ninth annual Michigan Mathematics prize competition test. A total of 147 Garden City High School students participated against 28,000 other contestants. Sandra and Robert, first mathematics winners for Garden City, were among 1,100 semifinalists who took the second round of testing.
