Pills Strewn; Police Find for Victim

Mrs. Janet Booker of 22780 Purdue, Farmington Township, is a police victim and requires constant medication.

On the afternoon of Jan. 22 the Booker car was parked on Haggerty Rd. and Mrs. Booker had left her purse with her pills on the front seat.

Three youths stole the purse which also contained about \$72 in cash.

About 4:30 p.m. the Bookers reported the theft to the Farmington Township Police and the fact that, with about five hours to go before medication would be necessary, the fact that the prescription could not be refilled and the family doctor was out of town.

By 7 p.m. the Township's Detective Bureau arrested three juveniles from Livonia who admitted stealing the purse. They held police arrest they had thrown the contents out the car window between the location of the theft and the City of Wall Lake.

Two detectives then started at 12 Mile and Brookview and walked to within one and a half blocks of the latter corner at the Wall Lake amusement park.

They did, however, recover the medicine and most of the other contents of the purse including most of the \$72.

The three youths are now in the hands of the Township's juvenile authorities.
