By Mary Lou Mangold

The freshman class is in the midst of election of class officers for the coming semester. President is Charles Costello, and Vice-president is Michael Brown.

The secretary, treasurer, and social chairman have not been chosen, but the following candidates have been nominated: Patricia Schlee, Wanda Smith, Gerald Smith, Colleen Cooney, Martin Welles, and Judy Stonik.

St. Agatha students are taking mid-term examinations this week. There is one advantage to exam week, however; school days are shorter. Students are required to report to school only for morning Mass and during the periods in which they have an exam scheduled.

St. Agatha's has acquired a new teacher, Miss Mary Cuffin, from the University of Detroit. She will take over the physics, earth science, and geometry classes.

They will be staying from Thursday evening until Saturday afternoon in the homes of Exchange Club members. Friday evening the guests will attend a home basketball game and the dance which follows. The day's festivities will be completed with a party held by some of the members.

Saturday, the students will go to the gymnasium for a basketball game and the dance which follows. The day's festivities will be completed with a party held by some of the members.

Only three days have gone by of the semester. This means that students still have a long time to bring up their averages. All pupils who are not satisfied with their current averages have some good reason for having them changed should notify their counselors immediately.

The semester vacation proved to be eventful for the Concert Choir. Last Thursday the choir took a ski trip to Mount Holly.

No school is complete without pennants. Thanks to The Historical Club, Bentley took home pennants. They are every year worth 50 cents. They are green and white. With a green background the pennant consists of the head of a white bull.

Clarenceville Journalism Class Sponsors Directory

By TONY HEAD
Something new will be introduced to Clarenceville High School soon. It is a Student Directory for the pleasure and convenience of the students. Sponsored by the Journalism Club, this directory will contain names, phone numbers and addresses of all the students. There is a slight charge for entry of a student's name.

Due to exams and semester changeovers during the past week, school activities have been dormant as of late. Minor sports, however, have had quite a busy time. The Clarenceville gymnastic team defeated Chippewa Valley High School 84-42 there.

Clarenceville took six first places. Top scorers were Charlie Morse, Jim McCammon, and Jerry Litwin.

Students wishing to have an American Field Service exchange student living at their home next school year should be requested to turn in their applications. In 1966-67, Clarenceville will have two exchange students. This is possible because of the large amount of students that helped on the Canister Drive.

A basketball game was held after the basketball game against John Glenn last Friday. All John Glenn students were invited to attend. The "Untamed" provided the music.

Congratulations are due to the girls that participated in the League Sports Day. The girls came in second in volleyball.

Bentley Faculty Defeats Seniors

By SUE DOWELL
The Seniors did it again! They played a terrific game against the faculty. This year's Senior-Faculty game was a tight one. Both teams battled it out neck and neck to the last second. It was surprising that the seniors didn't come out on top. But losing by only two baskets wasn't far from their goal.

When you match up seniors like Mike DeGroot, John Wheeler, Jack Horbanuk, Dennis Barry, Jack Wilson and Brian Lucas against teachers such as Henry Cannon, Charles 'em Garvey, Randolph Webster, 'Beet' Timmons, Ray Foster, and Kenneth Kimpelchid you come up with a challenging basketball game.

No game is complete without cheerleaders. Even the Senior-Faculty game had its cheerleaders. They were led by the cheerleaders, Donna Baker and Davidina Dow.
