**FATHER AND HIS FLOCK:** Among the hundreds of people who attended the Jackson Elementary School art show this month were the Children's family of 15208 Auburndale. Edward and Elaine Children have six in-school children, and another, Robin, who will be in kindergarten next year. Attending Jackson are Stephen, 6th grade; Cynthia, 4th; Michael, 3rd; Patricia, 2nd; and Gail kindergarten. The oldest son, Ed, is enrolled at Frost Junior High. Here, Mr. Childrens and four of his flock examine school-made travel posters on exhibit.

## Begin Another Term Following Workshops

Garden City Public Schools began its second semester of instruction yesterday (Tuesday) following a one-day Teachers' Workshop on Monday.

Garden City children were given a day's vacation Monday due to the annual mid-winter workshop which has been an established practice for many years.

The workshop is one of many opportunities provided throughout the year for inservice training of teachers. It was held at West Senior High and opened by a welcoming address given by Supt. of Schools Dr. Edwin J. O'Leary.

## Ford Announces Renewal Grants

Congressman William D. Ford (D-15th District) has announced approval by the Urban Renewal Administration of increases for urban renewal projects in Lincoln Park and Wayne.

The increase for Lincoln Park is \$210,621 for the Ruapp Number One Project, making a total of \$1,215,971 in federal funds authorized.

Wayne will receive an extra \$126,000 for a total of \$6,211,553 in its Central Business District Number One Project. The increase will enable the city's Urban Renewal Department to make additional relocation payments as authorized by the Housing Act of 1964.

## Industry on Go in Garden City

Major industrial development in Garden City is still in its budding stages and mostly limited to a garden known as the Industrial Park located north of Ford Rd. to the immediate west of Venoy Rd.

Three major industries in operation within the Industrial Park include: Wolverine Products Inc., Dearborn Gage Inc., and Gypsum Erectors Inc.

The combined trio contributed a total of \$7,474.26 in taxes monies to Garden City for 1965 which broken down individually shows the following: Wolverine, \$2,758.83; Dearborn Gage, \$4,507.23 and Gypsum Erectors, \$198.44.

The financial contribution to the community, however, is greater than taxes paid to City government. Also to be weighed are the tax contributions made to the schools, the community college and Wayne County.

City accounting tabulations show tax contributions to public schools, Schoolcraft College and the County under the single category of County taxes.

During 1965, the three major industries in Garden City paid \$25,256.38 in County taxes which were divided among the Garden City School Board, the Schoolcraft Community College and the various County agencies serving the City.

Therefore, the total financial contribution made to Garden City by major industry amounts to \$27,734.74.

A manufacture of storm windows is presently building in the Industrial Park and is expected to be completed in six months. The newest addition is being developed by the H. F. Campbell Co.

The total area of the Industrial Park, which is being developed by an Accelerated Public Works Grant, will allow about 12 fairly large industries to locate.

## Art Exhibit Set at Garden City

Artists from throughout the area are invited to submit paintings and sculpture to an art exhibit scheduled for the week of Feb. 14 through 19 at the Cisco Gallery, 2236 Ford Rd., Garden City. Co-sponsor of the exhibit is Kim's Upholstery and Drapery Service.

Entries to the exhibit may be submitted through Feb. 10. Judging will be Feb. 13. Judges for the event are: Mrs. Celia Kelley, Art Department, Schoolcraft College; Donald Blaney, art department of the Ford Motor Company; and James Cisco, curator and owner of the gallery.

Hours for the exhibit are 8 a.m. to 8 p.m. For further information call GA 7-5140.
