### Warns

2. Allow considerably nore distance between more distance cars in traffic.

The season's first snow-fall revealed to some area drivers their need to relean safe winter driving habits lost during thousands of miles of carefree summer motoring, Livonian Police Chief James Jordan reported today. "Tie-ups and minor accidents in several parts of the city wern't as serious as they might have been,' the Chief said, "but I hope our next taste of winter will find us a little better prepared."

Stopping on packed

better prepared."

Stopping on packed
snow, especially where
it was polished down
by skidding and spinning wheels to the
smoothness of glass at
the approach to intersections, was far more
treacherous than some
drivers anticipated, the
Chief reported.
He offered the follow-

He offered the follow-ling tips provided by the International Association of Chiefs of Police for future reference:

Check weather reports and adjust driving schedules for reduced speed on slippery streets.

#### Atty. General **Explains Rights** of Officers

By Atty, General Frank J. Kelley Frank J. Kelley (This is a public service article explaining in general terms a provision of Michigan law medium of Michigan law in the first of any law upon their private legal affairs should consult a private attorner.)

real affairs, housed consult in Michigan, as in most other states, a peace officer is sutherized to request the aid of private citizens to aid him in serving process in civil or criminal cases, preserving the peace and in apprehending or securing any person for felony or breach of the peace.

Any person officer's request for aid is gailly of a misdemenor and is liable to punishment by a fine of not more than 300 or imprisonment for not more than 300 days.

#### Parents Should Force Sitters to

Take TB Tests

Parents who employ maids and baby sitters can make sure that the employes are free from tuberculosis by requiring proof of a test be shown at least once each year.

Officials of the Tuberculosis and Health Society. Wayne County at the time to the test of test of the test of test

The tests determine whether individuals are free from active tuberculosis.

Lots of jobs at a living wage still stand out as our foremost guarantee of social security.
