final

clearance!

By George . . . !

Here it is, our final clearance of fine shoes for every member of the family. We cannot tell a lie. We've cut every price to the bone to make way for the new Spring merchandise. We've a wonderful collection of popular styles but, of course, not every size in every color and style. Our advice . . . be here tomorrow to take advantage of the wildest price chopping event of the year.
