

Stranger Than Fiction

The long arm of coincidence really outdoes itself in some cases. For instance take the case of Deborah Fox of Livonia and Deborah Fox of Farmington. Both are in their teens, both have fathers whose first names are Willard. Both have sisters named Patricia, and aunt named Anna. Both fathers are employed as superintendents. To further complicate matters, on March 21 both were admitted to St. Mary Hospital at Livonia as a result of auto accidents. Both girls suffered injuries to the left side of their faces.

Women Attend District Meeting

Fourth District meeting of the Ladies auxiliary, Veterans of Foreign Wars, held a rally in the Plymouth VFW Hall. Two members of the Livonia Auxiliary, Post 3041, attended including: Senior Vice President Berthel Campbell and Treasurer Helen Keir.

Ladies, Win a Prize In Edison Contest

There is still time to enter the "Queen of the Kitchen" cook-off and win one of 10 electrical appliances, including a deluxe range. Sponsored by the Detroit Edison Company, the cook-off is open to any girl or woman who has a full-time job and lives in Southeastern Michigan. Each is invited to send a recipe for a one-dish meal that can be cooked in an hour or less to Electric Living, 2000 Second Ave., Detroit, or to the local Edison office. The deadline for entries is midnight, Tuesday, March 1. The cook-off is held each year in cooperation with the Central Business District Association's Annual Salute to Women Who Work Week, which begins on March 12 this year. Each entry must include name, address, telephone number and occupation. The contestants must be able to compete in the cook-off which will be held in Edison's Electric Living Kitchen in Detroit on Thursday, March 17. The finalists will be guests of honor at the gala Salute to Women Who Work Banquet in Detroit's Cobo Hall on March 18. The recipes of the finalists will be published in a handsome booklet for general distribution free of charge. The second prize is an open berth, smokeless boiler, roaster, complete with shish kebab attachment, and the third award will be a seven-speed blender. Professional home economists and cooks, and employees of Detroit Edison and members of their immediate families are not eligible.
