Turn around can be fair play, St. Frederick in a non-league contest. Sorrows won by six points. Last Friday the same teams faced again. This time at Pontiac in the district.

Just a week before Our Lady of Sorrows high school basketball team had played Pontiac

"We had too much trouble in the first half," said Sorrows coach Bob Morris. St. Frederick's took a 23-19 lead after the initial period, then upped the margin to 42-31 at halftime. The rest of the way, Sorrows kept within range of St. Frederick's, but it was too late. Jim Doyle turned in another fine performance for Sorrows. He scored 33 points to bring his season's total to 388 in 15 games. That's a 26-point average. Sorrows finished the year with six victories and nine losses. DRAW IS COSTLY
The luck of the draw ruined St. Agatha high's basketball team in a hurry in the State Class C district tournament. St. Agatha found itself pitted in the first round against one of the Catholic League's powers — Visitation.

This was the same Visitation team that last week lost in the Parish championships to Austin, and then came back to beat Munford for third place in the overall Detroit city playoffs.

St. Agatha didn't figure as much of a test for Visitation. And the Redford Townshipers weren't as they lost, 86-66. The final count probably would have been a little different, bigger that is—had not the Visitation coach restricted his starters to two minutes of play in the first three minutes.

The rest of the time, the reserves operated for Visitation which explains why 15 of

Shots Off, Trojans 5 Bows Out

The shots were there. But they didn't go in. In a nutshell, this is the story of how Clareneville, the host team, lost to Riverside's Tri Rivers League champs, 74-37, in the first round of the Class B district tournament.

"We took 63 shots and only could make 22," explained Coach Bob McKillop of the losers. "They took 45 shots and hit on 23. That's better than 50 percent."

The opportunities were there all night for us. But for some reason the ball just wouldn't go in. Clareneville hung tight against the Tri Rivers champs until the last period. Then the roof really fell in. After one quarter it was Clareneville on top by 24-20 as Fred Neal pumped in 10 points for the North Livonia school.

Riverside fought back to take a 39-35 halftime lead. The four-point bulge carried through the third period. The Riverside explosion followed in the last period. The downriver team clicked for 20 points while Clareneville held to just seven—on two baskets and three free throws.

Early foul trouble hurt Clareneville. It enabled Riverside to stay in the game by making 17 out of 21 from the charity mark.

Neal with 16 points, Jim Amick with 11 and Dave Wilson with 10 all scored in twin figures for Clareneville.

RU Star Sets Point Record

There was one ray of sunshine for Redford Union High School's basketball team in the Class A district. Although knocked out in the first round by powerful Hazel Park, 72-58, the one contest did provide RU star Leland Björke a chance to set an all-time school record for points in a single campaign.

Björke fired in eight baskets and five free throws for 21 points against the Parkers to lift his final season's output to 358, just a fraction under a 20-point average.

The output by Björke erased the former RU standard set by Len LaPia, who this past season played on the varsity team at the University of Toledo.

For Björke, it was his second school mark of the season. The 6-1 junior cashed 40 points in a game against Walled Lake to top the old RU record of 34 made by Ben Slabach.

The brilliance of John Canine, Hazel Park's all-state candidate, led to the undoing of Redford Union.

RU had reached the half-time intermission on the short end of a 37-32 score. But in the third period, the Townshipsers outscored the Parkers as Canine popped in 12 points.

Björke and Bill Arnold were the only RU players to strike in double figures. Arnold closed the season with a 13-point effort.
