

Franklin Slates Scholar Dance

By ANN OPLAND
The dance, from 8-11 p.m., will be open to all area high school students and their guests.
The affair, Robin Seymour of CKLW as Master of Ceremonies, will feature a well-known string

group, the Masterstones. It has previously appeared with such groups as The Rolling Stones, The Supremes, and The Four Tops.

Tickets cost 75 cents per person and are being sold at the Livonia high schools this week, and also at the door.

The Dollars for Scholars, non-profit organization of Livonia, raises money throughout the city, providing college scholarships to many worthy students.

Each year the students themselves put on a money-making activity to build up the fund, and the dance Saturday night is this year's major activity.

In the past three years, 53 Livonia students have received some kind of aid, totaling about \$15,000, from the program.

Thurston

By LYNN BARNETT
The District band and orchestra festival took place March 13. Thurston received division rating in class AA, competing with orchestras and bands from Ann Arbor, Grosse Pointe, Wayne Memorial, Franklin and Bentley.

This is the first such rating at Thurston and it makes the school eligible to enter the state festival on April 23.

"Who Was That Lady," was shown during lunch hour last week to Thurston students. The weekly movies which cost 10 cents a day, are sponsored by the student council.

Clarenceville

By TONY HEAD

The Clarenceville High basketball tournaments are over and the Juniors still undefeated champs, having defeated the Seniors. The Juniors will now take on the Faculty team.

The Clarenceville gymnastic team participated in the Michigan State meet at St. Clair High School and placed 11th out of 20 participating schools.

Boys competing for Clarenceville were: Barry Frechette, Rick Fredricks, Jim McCammon, Charlie Morse, Bob Schur, Tom Stanton and Tom Webber.

The next meet will be the Michigan Amateur gymnastic regional at Clarenceville High on Saturday, March 26.

Russ Hoffman participated in the State swimming meet. He swam the 10-yard butterfly in 10.3 seconds and placed 17th.

The Sophomore class has gone into business to raise money. The students are going to sell candy at a dollar a box to fill the class treasury. Any Sophomore wishing to sell candy can contact his homeroom representative.

Ladywood

By LOUISE GILLIS

The annual retreat gave Ladywoodians a chance for reflection and spiritual renewal. In the quiet days spent in reading, praying, and listening to the retreat master, Father Cyril, the girls had the opportunity to meditate solely on their religion and its role in their lives.

The gym was converted into a temporary chapel and the

Felician Sisters Motherhouse Chapel was open to visitors during the lunch hour when Ladywoodians were allowed to roam the grounds.

On Friday, March 11, Career Day, supplied Ladywoodians with an excellent chance to weigh the pros and cons of their ambitions.

Students attended six classes of their choice from law to physical education. Sister Danatha, President of Madonna College, was the keynote speaker at the general assembly at 9 a.m. Sister stressed love of a career and a career of love as part of true womanhood in her address to the students, the faculty, and guests.

N. Farm'ton

By DEBBIE LUSKY

North Farmington is proud to claim the state gymnastics champions. The team captured first place in the finals at St. Clair. Special recognition is due to first-place winners Bob Kainz (side horse) and Skip Kirk (still rings) and to Dave Slueter, who placed second in the all-around competition. Congratulations to Coach Richard Shilling and all his performers.

An assembly on March 17 was held in honor of the gymnasts and also served as the official send-off to Michigan's Junior Miss, NF senior Bonnie Britton. She will be participating in the national pageant in Mobile, Ala.

The finals of the pageant will be televised this Saturday, and WWJ radio will broadcast live telephone conversations with Bonnie at 3 and 6 p.m.

Don Looney was guest speaker at an assembly held last Monday. His unique humor was a delight to all.

Stevenson Revises Constitution

By PAUL PENDER

The increasing number of clubs, projects, and extra-curricular programs at Stevenson High has generated a great deal of enthusiasm.

The revised constitution, submitted by the Student Council,

was approved recently by the student body. The Council has been working diligently so that students may have an opportunity to purchase school rings before the expiration of this year.

At a meeting on March 17, the Board of Education officially named Stevenson's athletic field as "Lester S. Anders Memorial Field" in honor of the late Athletic Director. For those participating in spring sports, this field now functions as a practice area.
