

Livonia, Wayne, R.U. Join Lobby Group

The Metropolitan Association for Improved Legislation has increased its membership in Wayne County to 18 school districts after the decisions of the Wayne Community School and Redford Union Districts to join the organization.

The Wayne Board of Education voted 6-1 to join the group

at an expected annual fee of \$1,500. Membership fees is not less than \$100 per district nor more than \$1,500 per year.

Another recent addition to the Association is the Livonia School District who joined shortly after voters turned down its millage proposal.

Fees are determined by prorating the district evaluation to the total evaluation of all member districts.

Most of the districts belonging to the Metropolitan Association have a state equalized valuation behind each child which is below the state average.

The association has an operating budget of about \$8,600 per year, half of which is for the salary of Robert Duhan of Garden City, part-time director, who spends time in Lansing in efforts to win favorable legislation for school districts.

Duhan is also public relations director of Garden City Public Schools.

Other member districts besides Garden City, Livonia and Wayne include: Brownstown No. 1, Carson, Cherry Hill, Crestwood No. 4, Dearborn Heights No. 7, Dearborn Fractional No. 8, Heintzen, Hand, Huron, Inkster, Maple Grove, North Dearborn Heights, Sumner and Taylor Township.
