Perhaps you feel there is. If you want a wholeness and richness to life beyond the ordinary — more happiness, a more expansive love, even more life to live, then what you really need is an understanding that God is Life. Hear this public lecture "The Way of Abundant Life" by PAUL K. WAVRO, C.S.B., a member of the Board of Lectureship of The First Church of Christ, Scientist, in Boston, Mass.

Bible Study Begins At Baptist Church

Emmanuel Baptist Church, Livonia announces that following Easter it will offer two separate opportunities for Bible study. The first will be held during the regular Wednesday night service. It is entitled "New Questions" and will be based upon questions asked and answered in the Scriptures.

That very special unspoken "thank you" they know, comes from the patient a kind word was to, or the new inductee who has been given reassurance, or the belief of the physician who knows blood will be on hand for that emergency operation because Red Cross volunteers assisted in making it all possible.

The second Bible study will be held at 9:30 a.m. Thursdays and will combine harmony of the Gospels with the Life of Christ.

Red Cross says thank you also, to its volunteers during the month of March and told its annual Recognition Ceremony at the Northwest Service Office, 31228 Five Mile Rd. in Livonia, for those who have served in the past year.
