New England Village

Combining their abilities and knowledge are a talented team of marketing experts, land planners, architects, custom builders and landscape architects to create and incorporate every modern facility for truly comfortable living in this community. Every precaution has been taken to preserve the natural beauty of the terrain and every effort has been made to provide a community of lasting value and beauty in New England Village.

This charming group of homes standing distinctive and dignified, offers the serene and quiet life among congenial neighbors in an atmosphere of friendship and relaxation... an escape from the tensions of the city, yet in close proximity to the daily needs of the family's varied activities and requirements. From the picturesque entrance, through winding streets, you'll see the heritage of the past combined with the best of today's innovations in homes of stately elegance.
