COMPARE! BEFORE YOU
BUY ANY RADIAL ARM
SAW COMPARE THESE BIG
POWR-KRAFT FEATURES!

This amazing Powr-Kraft 10-inch radial arm saw is so superior in design and performance that it defies comparison with any other saw! Every dimension of the saw is designed for maximum performance... every gauge is minutely calibrated for precision operation. It even looks superior... its switch cord and motor are concealed within the housing... its three inch column firmly supports arm and carriage. You can rip, crosscut, mitre, bevel, taper, even make dado cuts using a standard saw blade! Drill with standard bits! Shape, sand, mould and grind to exact tolerances! THE SUPERIOR UNIVERSAL MOTOR on this amazing, new saw develops maximum power efficiency, produces instant RPM, provides constant working power and insures longer life than conventional types.
