

HONORING THE WINNER—The Garden City Business and Professional Woman's Club, won the Lola Valley Trophy for having the most members in policy making positions. Shown here, extreme right, is Shirley A. Lucas, President of the Lola Valley Club, mailing the presentation at the state B&PW convention in Muskegon. Others in the picture are, left to right, Frances Leona, Margaret Hincob and Judy Santein, of the award winning club.

Lola Valley Trophy Goes to Garden City

With twenty one if its members in policy making positions, the Business and Professional Woman's Club of Garden City was awarded the Lola Valley Trophy last week at the annual B&PW convention in Muskegon. This trophy is awarded annually to the club that has the most women in policy making roles and is one of the most coveted of all awards. Eleven members of the Garden City club were in attendance at the convention when the award was made. Along with them were the newly elected Teen Queen Evalene Gundy.

New Movie To Open

A MUST FOR ALL art lovers is the powerful movie "The Agony and the Ecstasy." Some of the wonder and awe of creation is shown in this scene as Charlton Heston (left) and the artist Michelangelo and Rex Harrison, as Pope Julius II, examine the progress of the latter's frescoes on the ceiling of the Sistine Chapel in "The Agony and the Ecstasy." John Century-John's seven version of the Irving Stone best-seller, Carol Reed directed, beginning at the Mai-Kai, Livonia May 25.

Dr. E. C. Blumberg Addresses Farmington Scale Watchers

Farmington Scale Watchers, affiliated with Tops International, were treated to a very informative and thought-provoking evening on Tuesday, May 17, when Dr. E. C. Blumberg of Farmington, met with the club. He stressed the idea that the will to lose weight is within each person; without that will, voluntary loss is impossible.

The group therapy type of help as found in a club of this type may be the incentive needed to encourage that will power. With understanding comes knowledge and health. His rule for weight loss was a decreased intake (of calories) and an increased output (through activity and exercise). Dr. Blumberg ended the meeting with a question and answer period which cleared up many confusing and conflicting ideas held by the members.

Farmington Scale Watchers meet every Tuesday at 8 p. m. Anyone who is interested in the group therapy help and products. The region produced over 50 per cent of the nation's dairy products last year.

Receives Grant

Oakland Community College has been awarded \$2,246 from the Metropolitan-Bureau Special Supervisory Fund of the U. S. Office of Education to complete development of seven projects currently assigned to the College under the provision of the Manpower Development and Training Administration (MDTA), James H. Hincob, OGC Director of Technical and Vocational Education, has announced.

Michigan — one of twelve states in the north central region — provides a giant share of the nation's dinner table. The region produced over 50 per cent of the nation's dairy products last year.
