Dewline

By JOHN DEW

It's curtains for the '65-'66 TV season. Final curtain are being brought down, signaling the summer re-run schedule designed for the most part to allow you to see what you missed (and in most cases should have) during the past year of viewing.

The final rerun line-up is in and compiled as we thought you might like to look at the ten reruns scheduled during the past season based on an average of their ratings for the entire year:

- 4) Batman (Thurs.) — ABC
- 5) Andy Griffith — ABC
- 6) Bewitched — ABC

- 12) Get Smart — CBS
- 13) Man from U.N.C.L.E. — CBS
- 14) Daktari — CBS
- 15) My Three Sons — CBS
- 16) Dick Van Dyke — CBS

- 19) Lawrence Welk — ABC
- 20) I've Got a Secret — CBS
- 21) Gilligan's Island — NBC
- 22) Petticoat Junction — CBS

The final rerun schedule is an undisputed, rating champion for the year. It was managed to land in the top 20 with a total of no less than 14 shows. NBC trailed with only two.

four shows making the list, as was the case with ABC which needed Batman to place twice in order to reach that figure.

Needless to say, many changes are planned for next year, particularly at ABC where, as we told you last week, 16 new shows will be introduced next season. CBS plans 15 new shows for next year and NBC will debut 11 new prime-time packages.

Detroit Marvin Gaye is slated to headline the bill at the Copacabana, New York, August. He is the second Motown act to be booked at the famous night spot. The first act who appeared in Detroit as a popular attraction that they drew rave notices in all the New York papers.

Garden City Westland Heads At Conference

Garden City and Westland municipal officials met for a conference to discuss problems and federal representatives.

The day-long conference for the two city officials from the communities was sponsored by Congressman William D. Ford, whose 15th district includes Garden City and Westland.

Attending from Westland (at that time Nankin Township) were Supervisor Thomas H. Brown, Clerk William F. Cagle, and Attorney John J. Nellis.

Ford said he held the second annual conference to allow local officials in his district to learn of new developments in the federal programs available to the communities.

During the conference, the officials were in small work sessions to discuss urban renewal, water and sewerage, air enforcement, air and water pollution and waste disposal with federal representatives.

They also heard Joseph P. Luman, special assistant to the Secretary of State, talk on the country's role in Vietnam. Luman was in the American Embassy in Saigon from 1963 to 1965.

Others addressing the local press were Sargent, director of the Office of Economic Opportunity; Mr. Carter McFarland, assistant commissioner of Federal Housing Administration program; and Dean Coston, deputy under-secretary of Health, Education and Welfare and House Speaker John McCormack.

Summer Driver School To Enroll 1,300

A record number of driver education students are expected to enroll in courses in Livonia this summer.

John Anderson, who has seen the number of young men and women interested in getting a driver's license grow from 861 in 1961 to 1,601 last year, predicts that 1,300 will enroll in summer classes alone in June and July.

This summer, two sessions will be offered. The first will be held from June 20 to July 23, and the second from July 23 through August 26.

This year driver training classes will be held at both Franklin and Bentley high schools for two hours each day, six days a week. Students can enroll for classes starting at 8, 10, 12:30, 2:30 and 4:30.

Due to the great demands only students whose birthdate falls on or before December 31, 1950 can be considered for summer classes and if the rush is too great, older students will get first consideration.

Most of the cars used in driver education are donated by local auto dealers.

The Board, in asking for a five mill increase in school taxes, promised to keep driver education if the proposal passed, Anderson said. "With the emphasis on travel safety and the growing number of young people planning to drive, we're all pretty happy that we didn't have to close down this program."

All students, except sophomores, should register at their respective high schools, the same as for other high school summer classes. All sophomores desiring driver education will register in their home-rooms. Parochial and private school students may register at their junior high school.

Registrations for driver education will close on June 1. Applications received after this date will be considered in order of their receipt if enough vehicles and teachers are available.

Students are not charged tuition for driver education although there is a \$1.25 fee for a student hand book. The course fees come primarily from the state license fund with the local board contributing around one-third of the cost of tuition.

5 Livonians Honored by Wayne State

Wayne State University's Applied Management and Technology Center has awarded special Certificates of Attainment to more than 150 Detroit area students. The students completed certificate requirements during the spring term. The enrollment for the Center for the school year just ended totaled almost 6,000.

Approximately 200 after-work hour courses are offered by the Center each term. Classes are taught both in Detroit and in eight suburban locations to provide employees with basic and advanced up-to-date subjects in business, management and technology.

Local residents and the certificates they received are: William L. Bell, 34869 Grove, Livonia—Six Course Certificate; Calvin Bowyer, 13409 Farley, Livonia—Six Course Certificate; David F. Haber, 9374 Hix Road, Livonia—Six Course Certificate; George B. Rogers, Jr., 30223 Hathaway, Livonia—Six Course Certificate; and William R. O'Neill, 15939 Edgewood Drive, Livonia—Six Course Certificate.

Livonia YMCA Staff Expanded

Dr. Donald E. Friedrich, chairman of the local YMCA board, announces the appointment of Donald G. Dinwiddie as program director for the Livonia "Y".

Dinwiddie and his wife, Margaret, will arrive in the community about June 15. Dinwiddie will assume his duties on June 23. He is presently working in the YMCA of Haddonfield, New Jersey.

Besides his duties in general program development, Dinwiddie will be directing the Livonia YMCA Day Camp which begins June 27. He brings to this community many years of YMCA experience, much of this being spent in YMCA camping.

The Livonia "Y" Day Camp is a new program for the community. However, with Dinwiddie's experience and the qualified staff that is now being employed, it should provide a top-notch experience for boys and girls 8 to 12 years of age.

A bus route has been devised so that youngsters can be picked up in close proximity to their homes. The camp fee includes all costs of camp supplies, meals, each day, insurance, leadership, a YMCA "T" shirt, and all special trip fees. The program will reflect a heavy emphasis on camping skills, with swimming instruction, nature lore, woodcraft, archery, and all other activities which young people enjoy.

For further information about the eight-week camp, call Chuck Wise at 261-0370, or drop in at the Livonia "Y" office in the Elm School annex, 12330 Middlebelt Road.
