

What every new bride should know!

Let's see! His shirts...starch or no starch? His eggs...sunnyside up or over lightly? His coffee...a bit on the strong side? His steak...medium-rare or rare-rare? His favorite pie...apple or cherry? Knowing these things is important. Knowing this is important, too: A&P is a store you can trust. Brides have been doing it for over a century. As a matter of fact, nobody has ever had more brides walk down their aisle than A&P.

We think it's important for brides, new or old, to find a store they can trust, to know that everything they buy is totally guaranteed.

That's A&P Policy. No matter who makes it, if A&P sells it, A&P guarantees it. Is this a good reason for shopping A&P? It's one, if many.
