FARMINGTON Bermuda Day Nets \$110

By MADGE HILDEBRANDT
Bermuda Day at Farmington Senior High this year was termed a success by Student Council President-elect Ron Schulte. A profit of \$110.25 was made Tuesday, May 31.

The money will be added to the \$125 earned on Workday, held May 7, and the sum donated to Project Concern. It will be used in South Vietnamese hospitals.

Far more students participated in Bermuda Day than the 441 persons who paid 25 cents each to wear their casual clothes to school. However, the amount of people who did contribute money is considered remarkable, as there was no force or pressure of any type applied to pay a quarter for the privilege.

Farmington Country Club, located at the corner of 12 Mile and Haggerty roads, was selected as the site of the Senior Party of the Class of 1966.

June 16 is the date of the party which follows commencement. It will last from 10:30 p.m. to 2 a.m. Buffet and punch will be included in the price of \$3 that will be charged each graduate attending. Only FHS seniors will be allowed at the party.

Music will be provided by The Sky Guys, a rock and roll group from Oak Park. They have a current hit record in Detroit, "We Gotta Go." Tickets for the Senior Party will not be on sale at the door.

Tomorrow, June 10, seniors will don their caps and gowns for the first time. Swingout, the annual assembly during which the prospective graduates march before the entire student body, will begin at 1:30 p.m.

AT CLARENCEVILLE Students Receive Awards, Final Exams Are Starting

By TONY HEAD
Now that the school year is nearing an end, time is set aside to honor the students who have excelled in their activities. This is done annually in special assemblies.

This year the Honor Assembly was held on June 1. Students were honored for work in sports, dramatics, journalism, debate and other school activities and scholastic achievements. Letters for sports were awarded at the annual Sports banquet on June 2.

Also a part of the ending of the school year is the Junior-Senior Prom. Sponsored by the Junior class, the theme this year was "Summer Fantasy." The Junior class is to be congratulated on its exceptional work on the prom decorations. The prom was held June 4.

The accent is on Seniors and graduation now. Finals for the Seniors are starting today.

On Sunday, June 12, the annual Baccalaureate services will take place for seniors and their parents.

Commencement Day is on Thursday, June 16 when graduating seniors will receive diplomas in the traditional service. Congratulations to all the graduates.

For the rest of the students final exams will be on June 13, 14 and 15 in half day sessions. First and second exams on Monday, third and fourth on Tuesday and Friday, 10 and 11 a.m. on Wednesday.

There will be no school on Thursday, June 16 and students can pick up their report cards on Friday, June 17. The school is closed for summer vacation!

On June 1, the Stevenson Concert Choir, directed by Lowell Everson, gave a superb performance in "A Night to Remember."

"It was such a night for the singers, as they were met with a standing ovation at the termination of the program. The night featured a barbershop quartet routine and a solo by Harry Cadieux.

"Music in Bloom" will be presented by the Stevenson High Band on Thursday, June 9. The concert begins at 8:15 and will be held in the newly opened auditorium. Tickets are \$1 for adults and 50 cents for students and may be purchased at the door or from band members.

The nights of June 6 and 7 were set aside to recognize the accomplishments of many students. An "Awards Night" was held on June 6 to present the participants in spring sports and other activities. This night was unique, as this is the first time anyone received a variety letter for representing Stevenson High in a sport.

On Tuesday, June 7, "Honors Night" was held to recognize the academic and service achievements of students during the past year.

It was held in the new auditorium, where later in the evening a film of the Stevenson dedication ceremony in October was shown.

Photos of Vice President Humphrey and the dedication, and many other features will be included in Stevenson's Commemorative Issue, a paperback "yearbook" printed to commemorate this closing successful year.

Glenn Seniors Will Hear Youth Leader

like the man it was named in honor of, John Glenn High School will make history next week when it holds its first commencement ceremony.

The school, in Westland, opened its doors two years ago and next Wednesday, June 15, will have its first class of seniors receiving diplomas.

Speaker for the event, to start at 8 p.m. in the school gym, will be Dennis Shaul, who at 26 has earned a reputation as a dynamic speaker and personality. Bringing the speaker here for the graduation ceremony was Timothy Dyer, one of the senior class sponsors and chairman of the social studies department.

The graduation ceremony will climax the final week of activities for the 289-member senior class.

The Senior Prom was held Saturday at the Veteran's Memorial, Detroit. The swing-out ceremony will be held at 11 a.m. Thursday in the high school corridors, followed by a gittory at 12:30 p.m.

An honors convocation is set for 8 p.m. Friday in the gym with baccalaureate to be held at 8 p.m. Sunday in the gym.

Shaul, a lawyer in Akron, O., gained fame as president of the U. S. National Student Association and vice president of the U. S. Youth Council. He is a Rhodes Scholar, received his master's degree from Oxford, graduated magna cum laude from Notre Dame University.
