Eight City Teen Centers Will Open

Livonia Youth Incorporated will open up eight centers this summer beginning on June 20 for seven weeks. The center will be located at Franklin, Betsy, Clarenceville and Stevenson High Schools; Whitman, Emerson, Riley and Clarenceville Junior High Schools.

Under the direction of the L.Y.I. board, which is composed of professional and lay persons in the community, each center will be staffed with competent personnel to aid the teens of Livonia in their activities.

The Senior High Centers will be open from 7 to 10 p.m. on Mondays and Wednesdays, and 7 to 11 p.m. on Fridays. The Junior Highs will be open from 6:30 to 9:30 p.m. on Mondays, Wednesdays and Fridays.

Included among the activities at the centers will be dancing, gym, volleyball, swimming, table games, pool tables, table tennis and various other activities desired by the youths. Membership in the L.Y.I. is one dollar for Senior Highs and 50c for Junior Highs. Memberships may be obtained at the various centers. More than 24,000 visits were made to five centers operated by L.Y.I. in the summer of 1965.

Garden City Supt. George Langford has issued a public appeal through The Observer to have property owners living next to the City Park do a better job of keeping their lots clean.

Langford made the appeal, through local newspaper reporters, at a recent city council meeting.

Garden City School Board OK's New Bid

Because the apparent low bidder on Venetian blinds did not include all of the requirements in his proposal, the Garden City Board of Education recently agreed to place the order with the next lowest bidder.

Raymond T. Harris, administrator in charge of finance, recommended that the school board reconsider its approval of the \$275 bid from Roberts Venetian Blind Co. and place the order with Venetian Blind Industries.

The blinds, to cost \$351, or \$176 more, will be placed in the Cambridge and Burger Junior High Schools.

About the only people who listen to both sides of an argument are the neighbors.
