Arnold, Mrs. Ransom Hennells, Mrs. Alan Murdock, Mrs. Richard Secord, rowski, Mrs. Lee Lemon, Mrs. Herbert Szczerkowski, Miss Judy Epling, and Mrs. Charles Bohler.

## Observer Sets Up Editorial Deadlines

Effective immediately, the Observer Newspapers will operate with the following deadlines for stories, pictures and editorial for the women's, church, entertainment and sports pages.

For the Women's section, no announcements or pictures of weddings or engagements will be accepted after noon on Friday. All other stories for the women's section must be in the hands of the editorial department by 5 p.m. Friday.

All Church copy must be in the hands of the Church Editor by 5 p.m. Friday to appear in the following issue.

Stories and material for the entertainment pages must be turned in to the editor by 5 p.m. Friday.

No stories for the sports pages may be turned into Sports Editor George Maskin after 7 p.m. Sunday night.

The Observer Newspaper editorial staff insists that these deadlines be met. Stories or material turned in after the deadlines will not be published in the issue of that week.

## Our Queen of Hearts Explores 'The Physicist' Side of Marriage

By FAITH GILLESPIE

Immense amount of information. If you feel you need pictures too, The Better Homes and Gardens Cook Book is interesting. You might enjoy The James Beard Cook Book, which is now available in paperback.

If you think you want to buckle down and become a really excellent cook, the most honest, clear, accurate, and authoritative book is Mastering The Art of French Cooking, by Julia Child, Simone Beck, and Louisette Bertholle. This one is elegant and expensive; get someone to give it to you for a wedding gift.

There is one other book that might be required reading for today's bride though it is neither a cook book nor a marriage manual. It is Phyllis McGinley's Simplicity in Her Shoe. It is gay and wise, besides being accurate, etc. and fun to read.

I have not been so lucky as to read that book, or any other marriage manual. Dr. Spock. It helps me live our union has survived all this time without Dr. Thus-and-So's. We didn't know how badly we needed him. It is amazing that you can get along without.

There is one extremely important physical aspect of marriage, however, that is scientific approach people have never even considered. I suspect, and that is the eating aspect. When it comes to the physical, that is basic, wouldn't you say?

I would go so far as to suggest that no union will survive without it.

It is possible, in this outrageous era, to live for an indefinite time out of the food counters of the supermarkets. But eventually one of both of the partners in the marriage find themselves with a vague feeling of dissatisfaction, as if there could be more in being married than can be obtained at the supermarket, ready to serve.

At this point a book is called for. Dr. Thus-and-So's isn't it. What you need is an accurate, comprehensive, and authoritative cook book.

The New Joy of Cooking by Marion Rombauer Beck is the most thorough of all standard cook books, containing an

## Engineers' Wives Club Hold June Banquet

Engineers' Wives Club (formerly The Engineering Society of Detroit) will hold the annual June banquet, shared with members her exciting trip in ten European countries in 1965. Along with the presentation of slides, some souvenirs of the trip were on display.

The speaker was President Mrs. William J. Hapel, who

## Forest Park Garden Club Sets First Flower Show

Members of the Forest Park Garden Club are busily planning their first flower show, entitled "Song for a Little House" on Saturday, June 25, at the home of Mrs. Donald Sovel, 22040 Trevel, Farmington.

Her home will be open to the residents of Forest Park and to the public for viewing of the arrangements and horticulture from 2 p.m. to 5 p.m. Participating will be the members of the Garden Club

plus members of Boy Scout Troop No. 122 and Exposed Post No. 45 and the Girl Scout Troup No. 421 from Farmington. Mrs. Sovel is the General Chairman, and Mrs. Harold Freeman is in charge of entries. Progress is just a matter of trade—trading old problems for new and bigger ones.
