Long to race, but not of pace.

Loke for Clark Reid to join the air-staff in a mid-day slot. Clark is an old (in terms of exparience) pro. He formerly was doing a similar time and type show at WJBK when they were creating excitement. Dave Shefer moves up to the segment currently being named by Tom Shannon in the afternoon and Shannon goes back to the night-time bit.

Dean McCarthy, very talented and capable program director at WJBK-TV. has been lured to a similar position at WJBK-TV. has been lured to a similar position at WXYZ-TV. The announcement was made by Channel 7 Vice-President and General Manager, John Campbell. McCarthy and his family are residents of Farmington. He was reducted from Catholic University of America. Magna Cum Laude and Phi Beta Kappa, in June of 1950. J. P. in the only McCarthy in the business who knows what he's doing, WXYZ-TV also announced completion of a half-million dollar installation which makes it the first fully-equipment local shows may now be broadcast in color. Previously all area stations could only air color shows from the network or on film.

In answer to many inquiries, yes the Rolling Siones are scheduled for an appearance in Detroit. And white hey may not pather any most, they are expected aware, theless to take home considerable green stuff for the July 8 show at Cabo Hall.
