Nine Sailors Cause Havoc on Island

By SUE SHAUGHNESSY
Picture if you can a montage type of effect with flags of the United States of America and the Union of the Soviet Socialist Republic over which is superimposed the names of the stars—all to the tune of Yankee Doodle Dandy.
It's strange and difficult to envision such an opening for a movie and the rest of the film is just as strange to imagine.
The film is "The Russians Are Coming" which is currently showing at The Terrace Theatre in Livonia.
Set on a small island just off the coast of Massachusetts, the story takes place on a quiet Sunday morning in early September and the effect that a shore party of nine Russian sailors has on the residents.

Finishes Course
Army Pvt. Glenn A. Cutty, 20, son of Mr. and Mrs. Robert H. Cutty, 1960 Brentwood, Livonia, has completed an administration course at Fort Knox, Ky.
