## LETTER FROM THE STATE CAPITOL

CROP REPORT OF SECRETARY O STATE FOR MONTH OF JULY.

COMPARISON MADE WITH ONE

Members of Militia Are Entitled to Benefits and Protection of Compensation Law.

Secretary of State Predgrick C. Marthald allow Predgrick C. Marthald Counties 1431, in the northern counties 1431, and in the Upper Pensantal 1838 bands allow Predgrick C. Marthald Counties 1433, in the control of the State of the Marthald Counties 1433, in the control of the Counties 1433, in the control of the Counties 1434, in the first predgrick C. Marthald Counties 1434, in the first predgrick C. Marthald Counties 1434, in the control of the Counties 1434, in the Counties 1434, in the control of the Counties 1434, in the

State 33. One year ago the prospect was 18 and 11 respectively. The varieties that promise best, are in their order: Elberta. Crawford, Hill's Chill, New Prolline. Kalamazoc. Gold Drop. Barnard and Crosby.

Sceretary Drake of the industrial saccident bard says that the officers and men of the Michigan National Guard, now on strike duly in the copper country, are employes of the state and are entitled to all the protection the workingmen's compensation law affords. If the members of the commission concur in Secretary Drake's opinion. Private Ora A, Green, of Battery A, who was severely injured as the result of bolns visked by one of the artillery horses.

will probably, receive compensation as long as he is disabled, and in the event of his death his wife will be earlitted to receive one-half his weekly salary, for a period of 300 weeksation. The workingment his weekly salary, for a period of 300 weeksation as the provisions and Secretary Drake says that it is apparent that Green is a state employe at the present time. Probably there would be some difficulty in determining the amount of compensation as the solders while in strike duty received a stipulated sum and inaddition are allowed a separate amount for subsistance.

If the industrial accident board formally rules that all men of the national guard are entitled to compensation in case of injury while accompany of the state will be accompany to the state million. Herefore men injured while at camp or on strike duty have been given free medical attention but preceived nothing for their lost time unless they had the political influence to get an ext through the legislature reimbursing them for their lost. These cases, however, have been fiver rate. Therefore tare employer and those interested in Green's case and its outcome when it reaches the industrial accident board will be awaited with interest.

The annual distribution of sand vetch seed is being made under the direction of Prof. A. R. Potts, of the Michigan Agricultural college. Prof. rotts is the alfalin expert for the college and has been enlisted in this work because of his knowledge of alfalia, vetch and crops of a similar nature. A total of 600,000 pounds of seed is being distributed this year. In signing contracts the farmers agree to let the first crop of vetch go to seed and return to the county 25 per cent of all seed they produce. They further agree to harrow the ground after the cutting for a second crop.

Prof. Potts will test the soil in such fields as are to be given over to vetch that no seed may be sown upon land that is too ard to make a profitable return.

The horticultural department of Michigan Agricultural college has started an orchard survey of western Michigan Two of its graduates, L. R. Sorvice and F. L. Granger, began work at Northport and are making an inspection of all new orchards set out. They lates are gathering such to the relation of the
