Cycles for normal, delicate, wash 'n' wear clothes. 6 heats including "Air Only". Top-mounted lint screen, safety door switch, interior light and porcelain finish top.

*Gas dryers installed on Michigan Consolidated Gas Company Lines. Venting is extra.

- Super-Roto-swirl agitator circulates water thoroughly
- Cool-down rinse after wash-n-wear cycle helps prevent spin-set wrinkles—so ironing of clothes is minimized.
- Off-balance switch turns off washer, then sounds buzzer if the load of clothes bunches up causing unbalance.
- Porcelain finished top, lid and wash basket are easy to keep clean.
- Safety lid switch, built-in lint filter also included
- Plus easy to follow instructions on the inside of lid
