"GOD ... not chance"

Mrs. Lois Carlson
To Speak at Science Church

The more deeply you understand the power and love of God, the less you believe in chance. There's a law of Spirit over matter, and the law of discovery it, and live by it, will help to light the world's way out of chaos. Hear this public lecture titled "God — Not Chance" by NORMAN B. HOLMES, C.S.B., member of the Board of Lecturers of the First Church of Christ, Scientist, in Boston, Mass.

Farmington Church Starts Building Campaign

A campaign to raise the needed funds to construct a religious education building and move the present church to a new site has been started by the Farmington Unitarian-Universalist Church.

The congregation plans to move the 113-year-old church some two and one-half miles this summer to a seven-acre wooded plot on Halsted Road, just off Grand River Avenue on the outskirts of Farmington.

Norman B. Holmes, C.S.B. To Speak at Science Church

"God — Not Chance" will be the title of a public lecture to be given in Detroit on Tuesday evening under Christian Science auspices.

The speaker will be Norman B. Holmes, C.S.B., a former Navy Chaplain who is now a Christian Science teacher and practitioner in Chicago.

Norman B. Holmes

Sponsor of the event is the Eighth Church of Christ, Scientist, which will present Holmes at 8 p.m. in the Church Auditorium, 20011 Grand River Avenue. Admission is free, and open to the public.

Holmes is a graduate of Northwestern University, and served on active duty as a Chaplain in the United States Navy during World War II and the Korean War.

He was officially accredited in the Christian Science healing ministry during this period, and was later called to Boston to serve as Manager of the Department of Branches and Practitioners of The Mother Church. He is currently on an extensive tour as a member of the Church's Board of Lecturership.

Rooms for community activities are included in the plans for the new building. The church already holds an annual art show and has been the meeting place for the Community Forum and a
