MRS. TERRY SHELTON STEIN

## Paula Schreiber Weds Terry Stein Aug. 20

St. Paul's Presbyterian Church, Livonia, was the scene of the Aug. 20 wedding of Paula Judith Schreiber to Terry Sheldon Stein.

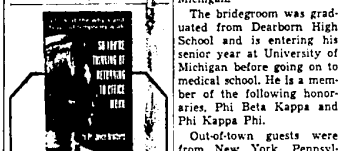

The bride is the daughter of Mr. and Mrs. Julius Schreiber, 14159 Cavell, Livonia. The groom is the son of Mr. and Mrs. Roger Carl Stein, of Jacksonville, Fla.

Rev. William Whitledge performed the double ring ceremony in the church which was beautifully decorated with topazies, lilies and white asters. Mrs. Jan Douglas Fess of St. Louis (the groom's aunt), was the soloist.

The bride was given in marriage by her father. She wore a gown of off-white pure silk peau de soie, floor length with an empire waistline, and applied in chantilly lace. Her floor length silk tulle veil was also appliqued with chantilly lace. It had a mantilla effect. The gown and veil were both designed and made by the bride and bride's mother.

The bride wore heirloom diamond pierced earrings, a gift from her parents. She carried a single white rose.

Jan Kosma, who just returned from a year of study in Italy, was maid of honor. Patricia Ruddell, of Dearborn; Carolyn Cole of Chicago.

PATRICIA A. GASPERICH

Mr. and Mrs. Edward Gasperich, Livonia, announce the engagement of their daughter Patricia Ann to John Edward Colclough, son of Mr. and Mrs. Edward Colclough, Livonia.

The bride-elect is a 1966 graduate of Franklin High School and is presently attending International Data Processing Institute.

Colclough is a 1964 graduate of Franklin High and is attending Schoolcraft College. No date has yet been set because he is planning to enter the United States Armed Forces in September.

DONNA JANET LORIMER

Mr. and Mrs. G. C. Lorimer announce the engagement of their daughter, Donna Janet, to Roy Theodore, son of Mr. and Mrs. Reuben T. Nordman of Livonia. An open house was given by the Nordman family on July 10, in honor of the engagement. No immediate wedding date has been set.

## Will Set Easier

You can set a beach umbrella in the sand easier if you cut or file a coarse screw thread on the end. Then turn it into the sand. It goes in much easier.
