

where would we be without them?

We wouldn't be America's largest food retailer.

That's for sure.

We're talking about the clerks who still manage a smile and a "Thank You" late Saturday afternoon after a busy week's work—and even on days when they aren't feeling tip-top.

We're talking about our supervisors, store managers, department heads and their assistants who shape the backbone of A&P.

Those behind the scenes, too—literally scores of thousands of devoted employees in our offices, warehouses, and other facilities.

Without all these fine people, there wouldn't be an A&P—and we know it.

They work hard...we're proud of them. Like most of us, most of them will rest too...on Labor Day.
