

COME ALL-YE

The Big Parade

The Grand Cavalcade starts at noon and will contain many original and unique features never before attempted. In the line will be impersonations of many noted characters of both ancient and modern history, including local celebrities. Wild and domestic animals of various kinds, including elephants and other mammoth beasts are to be seen and many mysterious things are being planned for this great feature of the day. Don't miss the parade.

The Northville Band

ALSO

FIFE AND DRUM CORPS
AND A "RUBE" BAND

The Northville Cornet Band has been engaged for the whole day and they will give continuous concerts in various parts of the town. This is an excellent musical organization and will please the crowd.

A Fife and Drum Corps has also been secured for the occasion and the martial music is intended to keep everybody in good humor.

IF REDFOD SUITS YOU

Take a chance on an investment in at least one piece of real estate. If the town doesn't suit you find a better one if you can. Property in and about the place is going up at a rapid pace. Are you getting anything out of it? Are you going to profit by the increase in values or let the other fellow have it?

See me and let's talk it over.
