

# Sorrows Due For Big Test

Something will have to give next Sunday when Our Lady of Sorrows collides on the football field with Orchard Lake St. Mary's.

Here are the two teams which many figure are the top contenders for honors in their division in the Catholic League.

Both got off to impressive starts last Sunday. Sorrows knocked off Royal Oak St. Mary's, 19-0, while Orchard Lake routed St. Benedict, 41-0.

Coech Bud Webster of Sorrows has put together a powerful offensive unit to throw against Parish Loop rivals this fall.

Webster has more than a running attack—something he knew he had all the time. In the victory over St. Mary's, the Sorrows team also unveiled a crackerjack passing barrage with Mike McGrath the engineer.

With McGrath hitting Bill Verge, in particular, and with Cliff LaFond, Dave Hickey and also McGrath banging away on the ground, St. Mary's of Royal Oak was no match for the Farmington opposition.

By the game's end, Sorrows had collected 209 yards rushing—143 of them by LaFond in 14 carries for a 10-yard average—and added 158 yards through the air on seven out of 14 completions by McGrath.

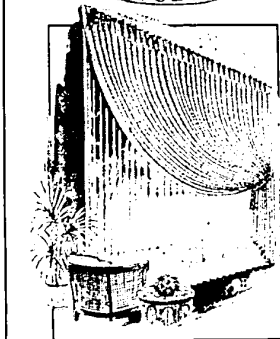

St. Mary's made 171 yards running and another 50 passing, but never seriously threatened.

A 66-yard march, most of it churned up on the ground, brought Sorrows its first touchdown in the opening quarter.

McGrath went the final yard on a quarterback sneak. Just before halftime, Sorrows recovered a fumble on the St. Mary's 40. Helped along by two McGrath-Verge passes, Sorrows got to the five from where LaFond scooted in off tackle.

The closing TD resulted from a 96-yard parade which LaFond started by

Sorrows played alert on fumbles and picking off three defense, recovering four passes—all by Jim McHugh.

# St. Agatha Gets Past Initial Foe

It's better to have a few who can do the job than many who can't.

How true coach John Trellay of St. Agatha high school's football team found out in last Sunday's 27-0 romp over St. Theresa in the season's opener.

There are only 24 players on the St. Agatha roster. Most schools have twice that number.

What's more of the 24, fewer than 15 carried the load for St. Agatha. The others got in after the game was wrapped up.

St. Agatha rebounded after spotting St. Theresa an early touchdown on a fumble which turned into a 63-yard scoring gallop.

But once that badness was out of their systems, there was no stopping the St. Agatha players.

Led mostly by the running of Dennis McKenna and the passing of Mike Walsniak, St. Theresa took control and remained in command the rest of the way.

McKenna scored his team's first three touchdowns. The first time he went 26 yards. Next he grabbed a 16-yard TD pass from Walsniak.

Then it was McKenna on an eighty-yard dash into pay land.

A great pass down the middle from Walsniak to Mike Sweeney covered 44 yards and produced the fourth St. Agatha touchdown.

The final score was set up by Tom Rigley who raced 58 yards with an intercepted pass to St. Theresa's four from where Tom Hanlon took it across.

The victory brought joys to Trellay.

"Offensively we were very strong," he said. "Defensively, we had a couple spots I'm sure we'll correct before we take on Xavier next Sunday."

The hero defensively was John Sliwa, a linebacker who in the coach's words "made tackles all over the field."

The game against Xavier at Ecorse High opens St. Agatha's bid for divisional title honors in the Catholic League. Xavier won the flag a year ago and Trellay sizes up the game Sunday at the one "which should make us or break us."

## Famed Cue Champ To Perform at Cushion 'n Cue

Brunswick Billiard Champion Willie Mosconi, who will give an exhibition of his cue wizardry Thursday, Sept. 22 at Cushion 'n Cue, 27830 Schoolcraft, Livonia, first learned the game by shooting potatoes on his father's billiard table.

Willie recalls, with amusement, the occasion on which his father hid the billiard balls so that his son would not be practicing so often. Nothing daunted, little Willie secured several round-shaped potatoes and was diligently shooting them about when his parents returned unexpectedly.

Willie will demonstrate to his audience that billiards is in fact an easy game to learn and to play well if strict attention is paid to fundamentals. He will also exhibit an amazing repertoire of trick shots, many of which are diagrammed in his book "Winning Pocket Billiards."

He will entertain his audience with the type of shooting that enabled him to establish the all-time world's record high round of 526 balls, and win 15 world's championships.
