FARMINGTON SCHOOL DISTRICT Board of Education President Leland Clifford is pictured above (right) purchasing a ticket to the Farmington High School Spring Musical, "Shangri-La", which will be presented at the Farmington Junior High School on Friday and Saturday, April 22 and 23. The musical adapted from James Hilton's "Lost Horizon", puts the famous novel cleverly into the medium of drama and music, as written and arranged by FHS alumna, Brian Dates. Special ticket selling dates are Saturday, April 16, and Sunday, April 23, at Farmington High School from 9 a.m. until noon. All tickets purchased at these hours will be sold below the regular price of \$12.5. Brian Dates is the one making the above ticket sale to Mr. Clifford.

FIRE

KILLS MORE CHILDREN THAN ANY CHILDREN'S DISEASE

It kills more adults than children. It takes thousands of lives every year. It's the most common cause of death in the home.

JENSEN ALARM-KING

The alarm that works like a charm.

"SMELLS" SMOKE & "FEELS" HEAT
In time to save your life (yet, a room full of tobacco smokers will not affect it). Most victims die because they are asleep when the fire starts and do not wake in time to avoid the searing heat and stifling smoke. say national fire safety officials. While you are asleep, while you are away from home, this scientific, electronic device is always alert, watching over your loved ones. The ALARM-KING will warn you of a power failure, too. This reminds you to check for a short in your building wiring—a frequent cause of fires—and to reset your clock, protect the food in your refrigerator or freezer, etc. Plug into any electrical outlet, mounts like a picture lamp. The cost is reasonable for safety and peace of mind. \$28.95. Every 25 seconds a home burns. See it demonstrated today. Tomorrow may be too late.

WOMEN IN THE FARMINGTON AREA

who want a better, more interesting and more challenging life

CONSIDER A CAREER IN REAL ESTATE

Here is a field where women's imagination, sense of service and understanding of the art of homemaking can reap dividends. NEITHER experience nor a business background is essential provided you are alert and quick to learn.

Among factors which may influence the probability of your success in this profession are:

AGE, APPEARANCE & PERSONALITY

The normal age for successful entry to the field is 30 to 50 years though some deviation is possible. Neat and tasteful dress and personal grooming will be a habit. The ability to meet people easily and confidently is requisite. A good command of the English language is essential.

EDUCATION

High School completion is necessary. Advanced education will be helpful. You MUST agree to complete adult education courses in real estate at the university level (night school). On-the-job training is also required.

BACKGROUND

If married you should not have 5 or more children (under 12) at home unless full time live-in assistance is available to them. Widows and divorcees who have previously enjoyed a high standard of living may achieve substantial success. Women who have actively participated in, and/or directed, activities of women's clubs, church groups, charitable drives, civic groups or political parties are likely candidates.

COMPENSATION

Earnings are on a commission basis. We are interested only in sales associates willing to work hard to achieve a minimum annual earning rate of \$7,500, within one year. Our estimate of their potential must be \$12,000, plus within three years. Outstanding associates earn much more.

GENERAL

Hours are irregular and DO involve substantial evening and week-end work. Only full time associates will be considered. A reasonably late model 5 or 6 passenger automobile in excellent condition is necessary. Good personal and credit references will be required.

INTERESTED?

Think this may be YOUR career opportunity? Like to know more about it? Call Mr. Owen E. Hall at GR. 6-8050 to arrange a personal discussion.
