## Enthusiasm Running High For Cast Of 'Shangri-La'

All is in readiness and enthusiasm is running high for the coming presentation of the annual Farmington High School musical production, "Shangri-La." Curtain time is 8:30 p.m. Friday and Saturday, April 29 and 30, at the Farmington Junior High School on Thomas Street.

Lee S. Peel, director of staging and dramatics, said all facets of the giant production are coming together nicely as planned, and everything should be in order well before curtain time next week.

Students at FHS gave composer-author Brian Dates a rising ovation as he returned to his Alma Mater yesterday (April 19) for a short preview of the musical to the student body. Tickets are going rapidly according to Producer William Feucht, and another sale of tickets at reduced prices will be held at Farmington High School, corner of Shawnee and Lakewood Streets, from 9 a.m. until noon this Saturday, April 23. Feucht urged all citizens to respond to this opportunity to support the creative efforts of Farmington students, and to hurry to obtain tickets while there is yet time.

COORDINATOR OF strings for the orchestra, Marjorie Mowat, stated the string musicians are holding to a steady pace of rehearsals; and John Weiden, a student trombonist, stated he felt that Brian has captured the Oriental flavor and has done an outstanding job with his creation of "Shangri-La." John is a new student from Cincinnati, Ohio.

Mr. James Geiger, principal of Farmington High School, encouraged all students and interested people of the community to attend this inspired piece of work which is proving to be the highlight of the 1965-66

## Consumers Gives

Consumers Power Company's natural gas customers this week began getting a share of refunds recently received by Consumers Power from its natural gas suppliers.

The company is passing on the customers' share of the refunds in the form of a credit on their next bill. Gas space heating customers will receive credits averaging about \$1.50. Gas customers who do not use space heating service will receive credits averaging about 30 cents.

The refund is going to customers who took gas service from the company during October, November and December of 1965, and who still were customers of the company on March 25, 1966.

Those who changed their address after December will have to apply to Consumers Power directly, before July 1, if they want their refund.

The refund credit is going to

## Gas Rebate

some 697,000 customers as a result of lower wholesale gas rates than those originally collected by the suppliers. The total amount returnable to customers of the company was set at \$1,326,122 by the Michigan Public Service Commission in March 1966.

## FHS Seniors Choose

### Site For '67 Prom

Lovett Hall at Greenfield Village has been selected by the senior class of 1967 at Farmington High School as the place to hold their prom.

## NOTICE OF REFUND TO GAS CUSTOMERS

With the approval of the Michigan Public Service Commission, Consumers Power Company will refund to its gas customers during the next few weeks a pro rata share of refunds recently received by Consumers Power from its suppliers of natural gas. Refunds are to be made in the form of credits on customer bills mailed after April 4, 1966.

To be eligible for a refund, the customer must have received gas service from Consumers Power Company during October, November and December, 1965 and must have been a customer of the Company on March 25, 1966. The amount of individual refunds will be based on each customer's gas usage during the last three months of 1965. Customers using gas to heat their homes during that period will receive refunds averaging \$1.50; non space heating customers will receive refunds averaging 30 cents.

Customers who moved since December may not receive the refund automatically in the form of a credit on their next bill, because of their change of address. To obtain their refund, these customers should apply to their nearest Consumers Power Company office no later than July 1, 1966. The Company urges these customers to contact Consumers Power Company as soon as possible.
