MRS. JAMES MISNER III

**'Law Day USA'
Is First of May**

The first day of May each year is set aside by Congress, since 1961, as Law Day U.S.A., a day for the American people to rededicate themselves to the ideals of equality and justice under law in their relations with each other as well as with other nations. This year the theme for Law Day, U.S.A. is "Respect the Law—It Respects You."

Law Day, U.S.A. reminds us that our lives, our liberty, our future as individuals and the future of our country depend upon our system of laws and our courts, since the function of our courts touches the life of every citizen many times during his lifetime.

J. Edgar Hoover, Director of the Federal Bureau of Investigation wrote, "Law Day U.S.A. should remind Americans of their precious heritage of liberty, justice and fair play. America is a government of law, not men. . . . We in America must defend our heritage. We must remain eternally steadfast to the ideals which have made this Nation great. Law Day U.S.A. is symbolic of the great challenge which we face today to remain free."

Your duties as a citizen include: The duty to obey the laws. The duty to respect the rights of others. The duty to inform yourself on issues of government and community welfare. The duty to vote in elections. The duty to serve on juries if called. The duty to defend your country. The duty to assist agencies of law enforcement. The duty to practice and teach the principles of good citizenship in your own home.

Laura Leonard was her sister's winsome flower girl, and John Leonard performed the duties of ring bearer for the double ring ritual. Mrs. Leonard chose a pale green three-piece suit for her costume. She wore matching accessories and accented her outfit with yellow sweetheart roses. The groom's mother was attired in a suit of pink silk with matching accessories and added a corsage of pink sweetheart roses.
