## Carl Misch Starting Strong in WSU Sports

As a rule, freshmen usually don't make a big splash when they jump into the collegiate baseball swim.

There are exceptions to every rule, however. Carl Misch (34291 Conroy Ct. Farmington), is certainly an exception to the rule with the impressive debut he has made as Wayne State University's freshman third-baseman on the varsity baseball squad this spring.

The 6-foot, 185-pound Farmington High School graduate has hit safely in all five Wayne State games as the Tartars own a 3-2 record and have been rained out of two other games.

MISCH SPORTS a .400 batting average with 8 hits in 20 plate appearances and has batted just one play field in the five games.

An 18-year-old, he's just one of four freshmen in the starting lineup for Coach Leon Lande's team which was hard-hit by graduation. Misch, however, has filled the void caused by the graduation of last year's regular and is out-bitting his predecessor by 190 points.

A right-hander all the way.

### Important First Won By Cville

The Clarenceville Junior High band, under the direction of Mr. Theodore Mallieres, scored an important "first" for their school recently as they became the first band in the history of Clarenceville Junior High School to win a first division (superior) rating in state level competition.

Boostered by the addition of selected sixth graders to the group participated in the annual state band and orchestra festival held on Saturday, April 16, in Trenton, Mich. The event was sponsored by the Michigan state band and orchestra association.

The superior rating was based on the combined evaluation of four judges distinguished in the field of music who heard the band perform prepared as well as unprepared (sight-reading) selections.

This marked the first time that the Clarenceville Junior High Band participated in the state festival and credit for the outstanding performance goes to Mr. Mallieres and to each and every member of the band whose hard work and devotion to the task at hand served to bring this honor to Clarenceville.

## Track Team Suffers Loss To Franklin

The Franklin track team proved too much for the Raiders as they ended up at the bottom of a 65-23 to the 43-1/3 score. So far this season, the Raiders are 1-1 win-loss season and a 1-1 league record.

The Raiders were not up to full par Thursday as they showed some depletion in the field events. Joe Lane and Steve Dhue managed to grab second and third in the long jump while Craig Wycinsky heaved a 44' 8" for a second. Brian Swanton clinched first in the pole vault and Manna first in the high jump with 5' 4".

The 880 relay team of Larry August, Steve Dhue, Tom Ware and Craig Wycinsky won the first with a time of 1:34. The mile did not prove as successful as Brian Wlaming took

third. In the highly fluid Hurdles Webb took a second with 17.2 seconds. Larry August hurdled his way to a first in the lows with 21.2 seconds. Steve Dhue took a first in the 440 yard dash with 52.0 seconds. Bruce Wheeler managed to grab a second in both the 100 yd. dash and 220 while Greg Cleveland took a third in the 220. The mile relay team of Greg Succop, Craig Wycinsky, Joe Lane and Jim Rowe did not prove too lucky as they lost to the Franklin undermen.

The Raiders are host to John Glenn away on Thursday, May 5.

## Falcon Netmen Post Two Wins

Farmington's tennis team roared back onto victory road last Tuesday and again on Friday, as they crushed Adela Stevenson and Waterford by the identical score of 5-0.

The most impressive of the wins was Friday's match with Waterford, a team which had figured to be one of the top contenders for this year's Inter-Lakes crown.

"I was pleased to win 5-0 against Waterford," said Gerald Potter, FHIS tennis coach. "I was very proud of the way two sophomores, Bill Bliss and Lloyd Collins, played in the number two doubles spot." Bliss and Collins won their match in two sets, 6-4 and 6-3.

Co-captain Kurt Dembeck continued his two and a half year winning streak as he beat the Waterford number one man 6-1, 6-1, making Dembeck one of the winningest players in Farmington tennis history.

In the second and third singles positions, Dennis More won, 6-2, 6-0, as did Terry Bacon 6-1, 6-0.

Finally, Joe Cranston and Craig Anderson added still more to the Falcon victory score, beating Waterford's number one doubles combination 6-1, 6-1.

Tomorrow, the tennis squad hosts Walled Lake at 4 p.m., and thus concludes the first round of Conference play.
