

### Catarrhal Fever

MUCH LEGISLATION OF VALUE

Anti-Tuberculonis Workers Have Reason to Be Satisfied Wit' Laws Passed in 1913.

Out of 41 state legislatures in season during the season of 1913, laws of 1913, laws and the season of 1913, laws of 1914, laws passed in 1914.

Out of 41 state legislatures in season dealine with uncertainty of 1913, laws of 1914, laws of 1914, laws of 1914, laws of 1915, laws of 1914, laws of 1915, laws of 191

When it is Dangerous.
Little Willie-Say, will a Welsh
rabbit bite?
Little Babby-No, not unless you eat
it.—Philadelphia Record.

Some Comfort.

"Represent to your afflicted friend, the young widow, that there is no mistorium without some comfort."

"Of, course; black is extremely becoming to her fair complexion."

Believe in the better side of men. It is optimism that really saves peo-ple.—Ian Macisren.

Then What Did Papa Do?

When one dish was passed, mamma said she just loved to eat of it, but that the food would not agree with her. Paxton said he liked bananas, but he didn't dare eat them.

Then Jean, the liveyear-old, said: "Ilove watermelon, but I can't eat it."

"Why can't you eat watermelon?" said papa.

"Because you don't buy me any," she said.

Real influence.

Real influence.

"Let me write the songs of a nation," said the ready made philosopher," and I care not who makes the laws."

"I won't go cultu so far as that," replied Senator Sorghum; "but let me write the amendments and I care not who draws up the bills."

Weird Work.

"No."
"Town on fire?"
"No, no; still life. Plece of huckleperry ple, painted by a cubist."

Lamb and Sheep.

"Oh, dear! Something else to remind me that my bby is growing up."

"What now!"

"The cheepish way he looks when I call him my little lamb!"—Lippincott's.

New Woman.

Mrs. Knicker—Are you going to take a course in a business college?

Mrs. Bocker—Yest: I want to find out how to get more money out of Jack.

—Judge.

Disconterting.

Model—It's a berrid shame! You know as well as I do that'my figure isn't so sin'telly discorted as that! Impressionist—Ab, my child, when will you understand that it is your couldn't paint, and not your figure?—Bystander (London).

The timplate production of the United States last year—1,750,000,000 pounds—was ten t mes as grent as it was in 1899.

MICHIGAN LEADS ALL STATES IN WORK OF LIBRARY TRAINING.

MRS, MARY C. SPENCER LARGELY RESPONSIBLE.

fficers Whose Salaries Were In creased By Assembly Will Benefit Except Those Serving Specific Terms.

[By Gurd M. Hayes.]

Michigan was the first state in the union to conduct classes in library training and a comparison of the work carried on by other state libraries chaws that at the present time Michigan is far in the lead. Mrs. Many C-typencer, state libraria, Inauguarted the system in Michigan and has been largely responsible for its success.

The classes in library training ear ried on by the state library and board of library commissioners in the normal schools of Kalmaroo and Marquest library library commissioners in the normal schools of Kalmaroo and Marquest library library commissioners in the normal schools of Kalmaroo and Marquest library library commissioners in the normal schools of Kalmaroo and Marquest library library commissioners in the normal schools of Kalmaroo and Marquest library libra

been requested to conduct another class in Ubrary training at Bay Yiew 1 next year.

"So far as I know Michigan is the only state that is doing this extension work and it has extissingly proved of incalcuable benefit to the rural rehool teachers who are also !!Brarians of small libraries which come under their control, said Mrs. Spencer.

"The loan of pictures is also unique. As near as I can aspectain, Michigan and New York are the only states carrying on this, work, placing for six motilis in the rural schools the best irreproduct one of the color with the control of the color was an according to the color will be a seen as the control will be back to their work knowing how to get the best out of their libraries, have seen and examined 500 of the best books for schools and have seen and can borrow libraries for the walls. Nor must the indirence of our schools he measured by the number of students who took the course. The daily isctures, especially on work with children, were crowded. "For fifteen years Michigan has been clumbing up and getting a little higher each year, overcoming, difficulties and step by step making a slight advance until now the state has been as thoroughly, permeated with the future will be still more pronounced.

or librarians of small thraries who will go to their schools and libraries will go to their schools and libraries with larger ideas of the importance of the influence of a library, even in the smallest communities. This is especially true in the sciection of books which are ad powerful for good or evit. The fault that through the traveling library plan. 15,000 good books are circulated in this state last year, and all in the 'urla' schools, granges, farmer's libra and other associations, 900 framed pletures were loaned to schools for six mouths and 3,000 unframed pletures to women's clubs, is all the relvired we want for 18 years hard work. I want of the work of the schools of the second of the school schools are the mean's continuent of the schools of the second of the schools of the second of the schools of the school

with the exception of State Highway Commissioner Rogers and the three members of the state tax commission, all state temployes whose railaries were increased by the last legislature are legally entitled to receive the benefits of bigger pythecks, according to a ruting of Altorney General Felows.

Although Section 3 of article 16 of the constitution provides that salaries of public officers to the constitution provides that salaries of public officers to the constitution provides that salaries of the constitution provides that salaries of the constitution provides that salaries of the constitution provides and consequent of the salaries of the constitution provides and the constitutional provides in a salaries of the constitutional provides in a salaries of the employers.

The last legislature increased the salary of the state in highway commissioner from \$2,500 to \$3,500 per year, but Commissioner from \$2,500 to \$3,500 per year, but Commissioner from \$2,500 to \$3,500 per year, but commissioner from \$2,500 to \$3,500 per year, the state its plantage of the state its perfect of the state its plantage of the state its perfect of the state its plantage of the state its plant

500 per year. Therefore (they will not receive increases an ar result of Fellows' ruling.

Deputy Attorney General Daurherty will receive an increase from \$2,000 to \$2,000 per year. Deputy State Treasurer Gorman will: draw \$2,000 lineted of, \$2,000 li Poputy State Greasurer Gorman will: draw \$2,000 lineted of, \$2,000 lineted of, \$2,000 lineted of, \$2,000 lineted of from \$2,000 to \$1,000 will be a ferred with the first search of the first se

ounce. The daily lactures, especially on work with children, were crowded. For fifteen years Michigan has been climbing up and getting a little light of the state has been so thoroughly, permeated with library enthusiam inta darance in the beat to the state has been so thoroughly, permeated with the further will be still more prosonut. The county commissioners of schools have been especially appreciative and our purpose this year is to place a traveling library in the office of each commissioner in order that the teachers may examine the books and select libraries move intelligently. The most pleasing feature of this work is the fact that it is least two-thirds of the studed were teachers.

HOW TRAGEDY WAS AVERTED MOTHER

Farmer Saw His Predictions Verified If Train Had Only Come Through His Land Sideways.

His Land Sidowaya.

In a Tennessee backwoods lived a farmer who, although he had never a farmer who, although he had never the man and the mischief which he understood they might cause. According to his notion, a train was as much to be dreaded as a cyclone litelf. Creat, then, was his consternation upon learning that, a right of way for a railroad was wanted through his farm. He's wore "by hickery" that no money could buy it. Finally land enough for the purpose was condemned and the road built. The day the first train was to pass. It has not to be the mischief with the modern content of the purpose was condemned and the road built. The day the first train was to pass. It has the train disappeared, some one said: "You see, Bill, it didn't hurt anything, after all." Bill was surprised, but hated to abandon his contention that a train would rule things. "Wal, yass," he said, "I reckon that ye mought hay to, but ye see the goshdurned thing come through here endways. Er it hed come sideways, it would a busted the daylights outen of every cow in the place."

### FACE BROKE OUT IN PIMPLES

FACE BROKE OUT IN PIMPLES

Falls City, Neb.—"By trouble began when I was about sixteen. My face broke out in little pimples at first. They were red and sore and then became like little boils. I picked at my face continually and it made my face red and sore looking and then I would wake up a talght and scratch it, It was a source of continual annoyance to me, as my face was always:"ed and splotched and byraced aid the time.

I tould find nothing to cure it. I had been troubled about two years before I found Cuticura Scap and Oltsment. I sent for a sample of Cuticura Scap and Oltsment. I sent for a sample of Cuticura Scap and Oltsment. In tem for a sample of Cuticura Scap and Oltsment and them and I then bought some. I washed my face good with the Cuticura Scap and hot water at night and then applied the Cutioura Olatment. In the morning I wathed it off with the Cuticura Scap and hot water. In tro days I notliced a decided improvement was complete." (Signed) Judd Rnowles, Jann 10, 1913. Cuticura Scap and Oliment sold throughout the world. Sample of each free, with 32-p. Skin Book. Address post-card "Cuticura, Dept L. Boston."—Adv.

card "Cuticum, Dept. I. Boston."—Adv. Identified Himself,
The whirzing motor car struck a stump, and one of the occupants of the back seat, a lady possessed of considerable embonpoint, executed a neath un or gaudy parabola in the atmosphere and alighted by the roadstele ikke a polypus falling from a shotower.

"I don't believe I have broken any bones," she stated, in reply to the inquiry of the omulprient bystander: "but there is a lemp on this bank that.—"

"Lunp-nuthin'!" snarled a smoth-cred voice. "I'm the constable that's goin' to arrest you gosh-durney joy-iders, if I live!"—Judge.

Don't buy water for bluing. Liquid blue is almost all water. Buy Red Cross Ball Blue, the blue that's all blue. Adv.

Exactly.

"That was a very warm argument."

"No wonder, with so much hot air in it."

Before the Coolness.

Maud—My grandwother reached her one hundredth birthday. Ethel—She couldn't have stopped at twenty three so long as you have.
