CHEVALIER AND KAISER.

The Chevalier Boni is engaged in exploring the foundations of the pal-ace of the Caesars. He is consid-ered somewhat "smooth." Some ored somewhat "amooth." Some time is on the time is go the emperor of Germany, who prides himself on his archiveology as on his psintings, music and theology, devoted one of his journeys to a visit to the excavations in the Forum. Pickax in hand, M. Boni attended him. He gave the utensil to William II. and, pointing out a blace in the ground said: "If out a place in the ground; said: "If your majesty will deign to scratch here I have hope of something." The emperor scratched and under the pickax immediately discovered an inscription to the glory of Caesar, which the Chevalier Boni deciphered without looking at it. He had buried it there the evening before.—Le Cri

PRETTY ENGAGEMENT GIFT.

A very pretty engagement gift is a stack of sachets made of satin rib-lion two inches wide. The sachets are a stack of sachets mode or satus rethou two inches wide. The sachets are
cut in squares, padded, sprinked
with sachet and the edges overcast.
A dozen of these are stacked one on
inp of the other, tielt-together with a
baby ribbon like a package and the
tow on top finished with a tiny
sameh of five roses. The recipient of
the gift unties the sachets and esatca them among her clothes.
Leaves for these roses may be
ended from a piece of green satin
ribbon two inches long and a half
meth wide. The raw edges are gathred and the ribbon folded twice, so
that the completed leaf is a triangle
gathered on one side. A little experitimenting will soon teach you the
sanck.—Woman's World.

HAS COFFIN FOR SALE.

A mistake of a word has caused a Kilkenny (Ireland) philanthropist to find himself with a coffin ch his hands. He ordered it at the earnest request of the relatives of a poor old body reported to have died in the workhouse, to save her the indignity of a pauper's burial. When it was taken to the workhouse, however, the supposed corpse was found smb.ing a pipe and quite convalescent! The doctor, it seems, had written "scids" after the old woman's name for the guidance of the nurse, and the learnest the workhouse master could come to desiphering the professional cal-
