Senior Citizens' Club Hold May Meeting
 Farmington Senior Citizens' Social Club will meet for their monthly session of business, cards, and sociability on May 28, at 12 noon. Their meeting place will be the social room of First Methodist Church, Warner at Grand River.

The evening began with appetizers at the Sloop home on Long Avenue in Livonia, progressed to the salad course at the League home in Greencastle Estates, where a "cherry fire" in the grate greeted the guests. The main course of Beef Stroganoff, Beans Almondine and assorted breads awaited us at the Stollner home on Dresden Avenue. From here the guests moved on to the Mats home in Kintery for the delightful Belgian dessert of Waffles, Strawberries and Whipped Cream. At the end of the evening the guests had a warm farewell to their young hostesses with many thanks and a feeling of close comradeship.

MARTHA CLEFFORD and **MaryLou LaPrise**, leaders, have been doing much work with Troop 212 that meets at Larkshire School. On the calendar for Akron girls is a backyard overnight from May 20-22 at the Bills home on Middlebelt Road and on June 17 the troop will be going to Camp Tamack in Brighton for the weekend. To prepare for this, the girls have had seven cook-outs and learned various other skills needed for camping.
 Brownies too, like to be out-of-doors. On Saturday, May 14, seven of our Brownie Troops went to Riverside Park near a Plymouth for a Pow-wow. The girls assembled for a flag ceremony to begin the day and later on got together for songs and games. Each troop, on their own took nature hikes, cooked their lunches over a camp fire and various other activities.
 Unfortunately, Troop 88 from the Sarah Fisher Home was unable to attend the pow-wow. However, Thursday, May 19, they will be having a day off from school and the troop will be heading for Kenston Park for a long hike and a cook-out.
 Troop 224 has been trying for quite a while to get camp reservations at Camp Narrin or Camp Michigan and for the weekend of June 16-19. These girls have also been working on a premium project for the Plymouth State Home, and for the last three months have made 55 tray favors each month and turned them in.
