

Wood Creek Farms

BY DAVID SEAY

238-6409

Wood Creek is proud to announce that it has six June graduates from North Farmington High School from the Class of 1966. Our sincere congratulations and best wishes are extended to James Brown, Terry Lang, Diane Lieberwitz, Peggy Prues, Sherry Smolek, and Thomas Tyghem.

David Buch was wed Friday of last week to Miss Diane Hol-

ly of Holly Hills at St. Coleman's Catholic Church. Over 200 friends and relatives attended the 7:30 ceremonies and reception at Glen Oaks Country Club. The newlyweds plan to live in Ann Arbor upon their return from Mackinac Island while David completes work on his master's degree at the University of Michigan.

Another wedding is in the planning stages for Carol Kridner. She plans to wed Brent A. Bremer on September 10, at the Franklin Community Church. Their European honeymoon will include trips to London and Paris.

Wilma Carden played hostess to 35 ladies last Wednesday for a coffee and conversation get-together for friends and Wood Creekers. A special surprise guest appeared to the delight of all. Marjorie Lam had just returned from Chimbote, Peru, where she had been working with the Peace Corps and dropped in to say hello.

Monday morning she left again, this time to train Peace Corps workers at Syracuse University in New York for six weeks. She will return in August.

Sherry Smolek threw a graduation party Monday, June 13, for friends and graduating classmates. They began about 4 p.m. and broke up past the witching hour. A "riot" was had by the 30 guests with the pool activities and dancing never dull.

Karen Smith Grad

Karen Louise Smith, daughter of Mr. Ernest G. Smith, 22460 Hawthorne, received the bachelor of science degree with a major in elementary education from Grace College, Winona Lake, Ind., at the 29th annual commencement on June 1. Karen is a member of the Southfield Community Church and plans to teach in the public schools. Her ultimate goal is to serve as a missionary.

STATE TREASURER Allison Green (left) who attended college with Louis E. Schmidt is shown with him at a reception in Schmidt's honor as he retires from his position as superintendent of Clarenceville Schools.

C'ville Names Auditorium For Louis E. Schmidt

At a community reception held May 23, Dr. Samuel J. Priak, president of the Clarenceville Board of Education announced to the over 350 in attendance that the auditorium at the senior high school would be named in honor of Louis E. Schmidt, retiring superintendent.

Among governmental leaders present were Allison Green, state treasurer, who was in attendance at college with Superintendent Schmidt (Mr. Green brought greetings from Governor Romney who was unable to attend); and Harvey Moeke, mayor of the city of Livonia.

Some of the education leaders were Superintendent Benton Yates of Livonia representing the Michigan Association of School Administrators, Superintendent Gerald Harrison of Farmington representing the Oakland County Superintendents' Association, and William Shunk representing the Wayne County Intermediate School District.

Among the clubs and organizations with a large representation were the Clarenceville Band Boosters who recently celebrated their 25th Anniversary and the Clarenceville Optimist Club who recently observed their 14th.

The reception was sponsored by D.J. Westfall Back From Vietnam Seas.

Airman Apprentice Daniel J. Westfall, USN, son of Mr. and Mrs. Edwin W. Westfall of 29525 Ontago, has returned from Vietnam waters to San Diego, Calif., aboard the attack aircraft carrier USS Ticonderoga, ending seven months of combat operations as a unit of the Seventh Fleet in the South China Sea.

While on station off the coast of Vietnam, attack aircraft from his ship flew over 10,000 combat missions in 115 days.

The 22-year-old 42,000-ton carrier emerged from yard overhaul in San Francisco prior to deploying to the Western Pacific to support American and South Vietnamese ground forces, and launch strike sorties against selected targets in North Vietnam.

Breche Enterprises Promotes J.P. Carmody
