Farmington Enterprise Newsboy Of The Week

Enterprise newsboy of the week, Melvin Daniels, is 13 years old and a seventh grader at Clarencville Junior High. His route takes him along Oxford, Hancock, Averhill, Collingham, Waldron, Independence and Shawasssee. His parents, Mr. and Mrs. Frank Durnell, have five other children, Steve, Frankie, Charlene, Mary, and Janet. Mr. Durnell is in the landscaping business.

Melvin would like to be a landscaper like his dad and ranks going fishing with Dad as one of his favorite sports. Other sports he enjoys from time to time are baseball and basketball.

For hobbies, he lists model making and drum playing with the drums rating highest in popularity. In fact, he can't think of anything he likes better than playing his drums and making money.

Then on June 29 young Mike celebrated his seventh birthday by having his first birthday party with eight of his young friends gathering at 4 p.m. for games and a cook out.

As I was talking with Pat getting this news word came that Elise Murphy had just drowned in their pool. I have been unable to write more. Details of the funeral will doubtless be in the paper. We are so shocked and so grieved! All want to extend our deepest sympathy to Mike and the family.

Helen O'Brien received her MED (Master of Education) degree from Mary Grove College June 12. Mike is going to the Cranbrook Day Camp which will run into August.

GLADYS WOGAN had two sisters from England visiting her. Mrs. Hilda Allen is an old friend from her home town of Derby, England. Her widowed sister, Mrs. Florence Hewins, flew over with her and they spent three weeks here. The Wogans, of course, showed the Detroit and its environs very thoroughly. August 8 Gladys expects a visit from her brother and his wife, Mr. and Mrs. Walter Hatten also from Derby. This will be their first trip to the U.S.

Wilfred and Mary McGuire took four couples, the Taylors, Wheelers, Smoleks, and Dorans out on their boat Sunday. They had a fine trip followed by dinner at the Yacht Club.

Dick and Maxine Carlson, with Bruce and Sheila, left here June 24 on Dick's vacation trip. They stopped in Memphis, Tenn. to visit friends before driving down to New Orleans, La. As it was their first visit to this famous city they had many sites to visit. They then drove to St. Petersburg, Fla. where Dick's mother, sister, and many other relatives, now live. They spent five days with them before driving across the state to Miami. Bruce was interviewed at the U. of Miami as he was first college choice as he wants to study marine biology in which they have a very fine department. They were back in Wood Creek Sunday night.

ALL THE McGRATHS, even including the dog, drove up to "Lost Lake Woods June 30 for ten days with Pat's parents, Mr. and Mrs. Charles E. Tackels. Pat certainly served a vacation as it followed a very busy time. Their oldest son, Dick, flew home from Pensacola, Fla. on Saturday, June 11 and was married on the 15th. He was joined in marriage to Sharon Brown at St. John's Episcopal Church in Royal Oak. It was a family wedding with about 50 members of the two families attending. The reception followed in the church.

From the time Dick reached home he bought a car, got it licensed and insured, and he left it on the return trip to Pensacola on Friday, the 17th. As he was going to drive right through and thought it would be best handed on his bride he arranged for her to fly down.

The Bearded Mystery Man

Although he's a big man in the transportation field, this week's Bearded Mystery Man is no travel agent. But if you meet him he'll tell you to "See the U.S.A. . . . Last week's BMM was Don Stewart, advertising manager of the Enterprise.
