ford Inn to water the horses and arrive in Detroit about five a.m.

Herman joined the Walled Lake band in 1888 and they have been in 1888 and they have been dearly as the late of Yerd M. Warner's campaign for governor of Michigan. Herman was a constable sixty-odd years ago, when their main duty was to dispose of stray animals. Later he was an Oakland County Deputy Sherild the same people found honest is the best policy.

During an enjoyable interview in the shade of his front lawn Herman said, "Do you see that big stone with the ring on the top; we hauled the ting of the top; we hauled the ting and the ting and the ting with the latery's horse when he was courting my sister Mary."

Without a place to tie his horse, who knows — they might not have had a happy marriage.
