20 GAUGE

HAMMERLESS REPEATING SHOTGUN

HAMMERLESS REPEATING SHOTGUN
The Model 1912 Winchester is the lightest, strongest
and handsomest repeating shotgun on the market. It
weighs only about 5% pounds, yet it has great strength,
because its metal parts throughout are made of nickel steel.
It is a two-part Take down, without loose parts, is simple to
operate and the action works with an ease and smoothness
unknown in guns of other makes.
See one at your dealer's or
