## Thompson-Brown Co. Starts Used Home Dept.

Formation of a new Real Estate Organization headquartered in Farmington, and servicing Farmington, West Bloomfield, Livonia, Plymouth, Northville and the Northwest Metropolitan Area in general, has been announced by Robert H. Carey, president of the Thompson-Brown Company, 3252 West 12 Mile Road. The new organization actually is a new department of the Thompson-Brown Company, which has devoted approximately a quarter of its new 10,000-square-foot headquarters building to its new Used Home Department. Frank N. Hutton, 1670 Birchwood, Birmingham, has been named Used Home Sales Director of the department, which will take full advantage of multi-list services.

"WITH THE ABUNDANT wealth of experience our firm has gained and the thousands of buyers we have served — our firm is responsible for the sale of well over 10,000 new homes in the Detroit Metropolitan Area — plus the tremendous growth the company has realized since its founding in 1924 as a firm initially involved in the buying and selling of land," Carey said, "it was only natural that our growth and development pattern would lead eventually to the formation of a used home department."

"Attending to both the potential and need for this new real estate service in the northwest area," Carey continued, "our Used Home Department listed close to a half million dollars and realized sales totaling \$200,000 in its first 10 days of actual operation."

IN ADDITION TO offering multi-list services, the Thompson-Brown Used Home Department will provide services for obtaining mortgages through Emil Coolidge Mortgage, which has offices in

downtown Farmington and on Detroit's northwest side.

Used Home Department Director, Frank N. Hutton, a member of the Thompson-Brown organization since 1963, has devoted the past 6 years to the sale of new and used homes. Prior to his present appointment, he was responsible for the sale of higher-priced new homes in his firm's Kirkwood Community. A native of Ypsilanti, Hutton majored in marketing at Eastern Michigan University and spent 2 years with the armed forces,
