

Dems Back 18 Year Old Proposal

Oakland County Democrats, meeting in convention, voted to endorse the Eighteen year-old vote which will be on the ballot November 6.

It was announced that William Roberts, of Walled Lake, and William Heaton, of Pontiac have been appointed co-chairmen of the 18-year-old vote in Oakland County.

Roberts said, "The 18 to 20 year-olds of today are second class citizens. The 18 year-old is asked to give his life in the service of our country, yet he isn't given a voice in national affairs. The 18 year-old is asked to pay taxes, yet he doesn't have a say as to how his tax money is spent."

October 12, Columbus Day, was the setting for the birthday celebration of Mrs. Faye Sills. It was a never to be forgotten occasion for Mrs. Sills. The setting was Uncle John's Panckee House, where 28 had gathered for the occasion. The children were from the Plymouth State Home and Training School.

What a beautiful sight to see all the boys coming out of the State bus and marching into the restaurant by twos. They all acted like perfect gentlemen and very well mannered. A cake with candles was also had for T. L. a blind boy who was 19 years of age on October 11.

Mrs. Sills and this boy celebrate their birthdays together every year.

After the lunch the group concluded a perfect afternoon with chocolate covered ice cream and individual cakes which were also purchased and served by Faye Sills.

The deadliest animal in the forest

It moves quite slowly. It is one of the easiest animals to track. It has a poor sense of smell, sight and hearing. It is reluctant to travel at night or alone. But it is cunning, unpredictable, and not even the forest itself is safe in this animal's presence. For the deadliest animal-the animal that causes nine out of ten forest fires-is man. Careless man. So be careful. Our forests and wildlife are too precious.

Please-only you can prevent forest fires.
