**REGIONAL CONFERENCE**  
Gene Syverson, President of the Farmington Education Association, praised Farmington educators for the part they played in the recent Fall Conference held last Thursday and Friday in Detroit and surrounding suburbs.

Syverson also asked all teachers and Farmington area residents to vote in the coming election Tuesday. He stressed particularly the importance of electing competent individuals to the State Board of Education, saying that the influence of the State Board of Education in shaping educational policy in this State increases as each day passes.

He pointed to Donald Thurber and Dr. Leroy Augusten as capable men to carry on the business of the State Board of Education.

WILLIAM H. GAY

### Gay Promoted At Ford Motor

William H. Gay, a Farmington resident, has been promoted to chief engineer for Ford Motor Company's Engine and Foundry Division. Since last April, he has served as assistant chief engineer of the division.

A 1943 graduate in mechanical engineering at Virginia Polytechnic Institute, Gay also completed post graduate study at the U.S. Naval Academy and Cornell University.

He began his engineering career in 1946 with Gray Marine Motor Company, and later held key engineering positions with Continental Aviation and Engineering Corporation, and Kaiser-Fraser Corporation.

Gay joined Ford in 1954 as a senior engine project engineer and has held a succession of management posts in both passenger car and truck engine design and manufacturing activities.

He is a registered professional engineer and a member of the Society of Automotive Engineers.

Gay is married, has three children and lives at 29796 Woodbrook.

ANNE M. PHILLIPS

The weekend of October 16, Vern and Grace Fisher went up to Canada Creek Ranch at Allenton, Mich. While there they took a trip to the Upper Peninsula to enjoy Tawasman Falls and White Fish Point. They reached home Tuesday evening, the 18th.

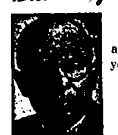

On Friday night, October 21, they entertained for former neighbors of ours in Wood Creek, Jim and Imogene Davis. Grace included several of the Davises special friends, the Henry Aults, formerly of Franklin; Ralph Merson, whose wife is already in Tryon; the Billius; and Alger Clark. The Davises are moving to Tryon, N.C. the end of this month. It may well be the rest of this group will retire to that lovely spot as have the Weavers and the Nelsons.

Mary Tyghem flew to Bedek, Nova Scotia, to spend 16 days with her 84 year old father. Her father now lives with a sister of her's, Peg, but still remains active and interested in many things, politics in particular. He gets up every morning in time for 7:30 church service, walks back home for his breakfast, then reads, watches TV, visits with friends, goes out for a walk, etc. Of course Mary enjoyed being with her sister. The color was magnificent with ev-

There was another long line of cars on Millbrook the 19th of this month as 65 women attended the annual membership tea of the Detroit Junior Chapter of the C.A.R.I.H. — the Children's Asthmatic Research Institute and Hospital in Denver, Colo. Evelyn Rudner was the hostess for this tea.

Alger Clark was married this past Sunday, I believe. I understand it is to an old friend of Alice's. When they return from their honeymoon I'll get more details, but I know you would all be very happy to hear this good news. We will all be so happy to welcome the bride to Wood Creek.

### Garden Club Receives A Citation

October has been a busy month for members of the Farmington Garden Club. At the October 5 meeting of District 1, Federated Garden Clubs of Michigan, held at Red Run, Farmington Garden Club was named one of nine honor clubs of Michigan.

The award is based on the activities a group plans and carries out during a year. The most outstanding activity of Farmington Garden Club is its project of developing the triangular park on Grand River north of Oakland in cooperation with the City of Farmington.

On October 24, Mrs. Robert Crompton, on Fiddlers Green opened her home to a group of club members for a Workshop for Fall and Thanksgiving arrangements. Mrs. Harold Brown was the teacher for the morning and afternoon sessions.

Mrs. Crompton was also hostess to the board of directors of the club on the morning of October 11. She was assisted by Mrs. John Cross.

"I Get Ideas" is the theme for the November 7 meeting of the Farmington Garden Club which will be held at 12:30 p.m. in the social hall of Salem Church of Christ.

John Moss and Jerry Michowski, of John Moss, Budd Lipinski Florists of Birmingham, will give a demonstration of Christmas arrangements. They have been in the florist business since 1928 and at their present location on Maple Road, for 9 years.

After the program, Mrs. Kenneth Loomis will auction off the arrangements created by Moss and Michowski.

Assisting Mrs. Ray Bodinus as hostesses for the dessert prior to the meeting will be Mrs. Kenneth Brooker, Mrs. John Cross, Mrs. Harold Brown, Mrs. Henry Olin, Mrs. Howard Phillips, Mrs. Phil Sawyer and Mrs. James Kaler.

**Jaycee Has Vote Count**  
The Michigan Jaycees again this year will play a key role in the nationwide reporting of the November 8 general election. In this area, several members of the Farmington Jaycees will cover the vote count at individual precincts, and then report the results to the state-wide tabulation center at Cobo Hall in Detroit.

The Jaycee participation is part of the News Election Service (NES) coverage of Michigan and the entire nation on election night. The News Election Service is composed of ABC News, CBS News, NBC News, the Associated Press and United Press International. The vote returns collected by NES are distributed weekly to each member, and they in turn give the results to virtually every newspaper and radio and television station in the United States.
