Just arrived in Ford Country!

A late model used Ford warranty that makes history!

Now you can get a 2-yr. or 50,000-mile power train warranty when you buy a 1, 2, or 3-year-old used Ford car!

FORD MOTOR COMPANY

Used Car 24/50 Power Train Warranty

Eliminate the possibility of high-cost repair bills... on '64, '65 and '66's... Ford Motor Company now takes the doubt out of buying a used car. The factory-backed warranty will cover your purchase of any used 1964, 1965 or 1966 Ford Motor Company car that has been certified and registered by a participating dealer.

Here's what we mean by it being good for 2 years or a total of 50,000 miles of operation. Say you buy a car with 30,000 miles. Then you're covered for another 20,000 miles. For a total of 50,000 miles. But maybe you don't drive that much. Maybe it would take you several years to run up a total of 50,000 miles. If so, we measure your warranty period in time. That's where the "2 years" part comes in. Two years or 50,000 miles, whichever comes first. With this unique factory-backed warranty... you never have to pay more than \$25 for any single repair that's covered.

Only one more thing to know. Warranty coverage stops 5 years after the car was made.
